

Assembly. My occupations have been, in fact, both multiplied and continual. I have already had the honor of stating to you that the Assembly will finally perceive that those objects have not been neglected. Further, considering how many of them are, for the most part, of a complicated nature, and considering also the labour I have had to bestow upon discussing Mr. Stuart's Memorial, I flatter myself that all that will be expected from me, will be not to remain in arrear with my relations with the Colonial Office.

I beg, Sir, you will receive the assurance of the respect with which I have the honor to be,

Sir,

Your obedient servant,

D. B. VIGER.

London Coffee House, Ludgate Hill,  
29th Oct. 1831.

To the Honorable L. J. Papineau, Esq.  
Speaker of the House of Assembly  
of Lower Canada, Montreal.

No. 4.

Sir,

I put to-day into the Post another copy of another part of my Observations on Mr. Stuart's Memorial. It is yet impossible for me to send you more. My last Letter of the fifth of November, informed you in anticipation of the causes which put it out of my power to do all that I am desirous of doing in this respect. You will there see that I have few leisure moments. I flatter myself, however, that I shall ere long have more leisure. If that prove to be the case, I will avail of it to write to you, and to transmit to you at the same time, a new series of those observations.

I have the honor to be,

Sir,

Your very humble and obedt. servant,

D. B. VIGER.

London, 14th Novr. 1831.

To the Honorable L. J. Papineau,  
Speaker of the House of Assembly  
of Lower Canada, Montreal.
