ASK THAT CONGRESS WILL BE POSTPONED

Executive Committee of Toronto Diocese Frames Request—Special Services Sunday.

The 75th anniversary of the founding of the diocese of Toronto will be celebrated in fitting fashion, according to a decision arrived at during a meeting of the executive committee of the diocese yesterday afternoon. Special sermons and services will be held tomorrow throughout all the churches of the diocese, but owing to certain existing conditions other details of the commemoration which had been planned for had to be cancelled. A recommendation was also made to the general synod asking for the postponement of the church congress to be held in Toronto next year.

An Easy Way to Get Fat and Strong

The trouble with most thin folks who wish to gain weight is that they insist on "drugging" their stomachs or stuffing it with greasy foods, rubbing on useless "flesh creams," or following some foolish physical culture stunt, while the real cause of thinness goes unheeded. You cannot get fat until your digestive tract assimilates the food you eat.

Thanks to a remarkable new scientific discovery, it is now possible to combine into simple form the various elements of your food and pass them into the blood, broken-down cell and tissue of your body. You can readily picture the result when this amazing transformation has taken place and you notice how your cheeks fill out, hollows under your neck, shoulders and bust disappear and you take on from 10 to 20 pounds of solid, healthy flesh.

Sargol is absolutely harmless, inexpensive, efficient. Your druggist has it and will refund your money if you are not satisfied, as per the guarantee found in every package.

Caution—While Sargol has given excellent results in overcoming nervous dyspepsia and general stomach troubles, it should not be taken by those who do not wish to gain ten pounds or more.

SWORE IN HEARST AND COL. HENDRIE

Yesterday Morning Was Devoted to Ceremony at Parliament Building.

SIR JOHN'S LAST ACT

Administered Oath to New Premier an Hour Before Leaving Office.

The Ontario Government is once more ready to resume business under a new directorate, the new members of the cabinet and Premier Hearst having been sworn in yesterday. The whole morning was devoted to the ceremonies necessary to the taking up of the reins of cabinet office by new officials, and at the end a social function, presided over by the premier and Lieutenant-Governor Hendrie, was held for an hour in the council rooms. This received itself into a period of congratulations and well-wishes to the administration on the part of the guests.

The first ceremony was that of administering the oaths of office to Hon. Mr. Hearst and Finlay Macdonald, the new minister of public works. This constituted the last official act of Sir John Gibson. He rode to the buildings at 10 o'clock for this purpose, and his term of office expired in one hour according to schedule. The arrangement had been made for Col. Hendrie to be sworn in at 11 o'clock.

Foy Was Present. Rodolphe Boudreau, clerk of the federal privy council, arrived from Ottawa, and assisted by Sir William Mulock, administered the oaths. The ceremony was brief and conducted in the presence only of the new cabinet and the few guests.

The doors were then thrown open and an informal reception took place. One of the happy features of the occasion was the presence of Hon. J. I. Foy, who had come to the buildings for the first time in some months. He showed considerable vigor and interest in the proceedings, and pressed pleasure at being able to visit his office again. His presence was appreciated very much by Hon. Mr. Hearst and Col. Hendrie.

Put on the Harness. For the next few weeks at least Mr. Hearst will divide his time between the offices of premier and minister of the forests and mines, and the expectation is that any further shift of offices is unlikely during that time. Mr. Macdonald immediately entered on his new duties and spent the afternoon in becoming accustomed to a ministerial desk. Hon. Dr. Reame will be back next week to close up several outstanding matters in the department.

There was no swearing in of those cabinet ministers who served under Sir James, this not being a necessary procedure. Instead, the resignations which they had tendered were simply returned to them and they retained their positions. Neither Sir Adam Beck nor Dr. Reame was present on the occasion.

To Succeed Hearst. There is still some speculation as to the likely minister of lands and mines. Both "Tom" McGarry of Renfrew and Howard Ferguson of Grenville are understood to be in line, and if a man from Northern Ontario was considered it would likely be Chas. McCrae of Sudbury. The latter possibility is considered slight altho a deputation from the Timiskaming region was in the buildings yesterday presumably urging their interests. In addition to congratulating the first Ontario premier to come from the north they sought to get Frank Cochrane to take the federal seat of Timiskaming. His seat of Nipissing has been cut in two by redistribution and admirers in the northern half are desirous of having him as representative.

Among those present at the swearing in of the lieutenant-governor were Hon. Messrs. Cochrane and A. E. Kemp, Mrs. Hendrie, Miss Enid Hendrie and Mrs. Trumbull Warren, Mrs. Hearst and Mrs. Glackmeyer.

PATRIOTIC SONGS ON RED CROSS PROGRAM

National Chorus Will Take Part in Massey Hall Concert One Month Hence.

The National Chorus of Toronto has been invited by the Empire Club to participate in the great patriotic rally, to be held in Massey Hall, on November 3, when an address will be given by Mr. H. B. Ames, M.P. The members of the chorus enthusiastically accepted the invitation and will appear in full force, the object of the gathering being in direct line with the spirit of the organization. The chorus is now rehearsing tri-weekly for the coming season, and is now at full strength of over 200 voices. But one concert will be given in January, as the contract with Kreisel, the great Austrian violinist, has been cancelled by Dr. Ham. Kreisel was to have appeared as one of the assisting artists, but he is now reported as being ill, he is expected to fall ill United States engagements.

Miss Maggie Teyte, the eminent English soprano, will be the assisting artist at the concert to be given and will doubtless prove a great favorite, as she is now in England. Her singing of French chansons as well as Belgian and English songs has been pronounced most delightful. The inclusion of several patriotic numbers, such as "Le Brabanconne," the national air of Belgium; "La Marseillaise," "Rule, Britannia," "O Canada," and also "It Comes from the Misty Ages from the Banner of St. George," by Elgar. Any surplus from the concert will be turned over to the Red Cross Society.

Municipal I.O.P.E. A largely attended meeting of the Municipal Chapter I. O. D. E. was held at the headquarters of the order yesterday afternoon. Mrs. R. S. Wilson presided. Mrs. Goodenham, the national president, was present.

Mrs. John Bruce was appointed organizing secretary for the city chapters. Another change was brought about on the recommendation of the regent, that of the appointment of an executive for the municipal chapter. This body is composed of representatives of all the chapters of the city, and Mrs. Wilson explained that in emergencies she would sometimes like the support of the various chapters, but found it difficult to call the large number who form their membership. She therefore proposed that representatives of the 23 city chapters should form an executive. The regents of the chapters were appointed. Mrs. Goodenham was in favor of the new departure and the secretary will write to the national for permission to make the change.

A great deal of care and discussion was expended on the matter of visiting the wives and families of the absent soldiers, and volunteers were given hints to enable them to make their calls at an early date.
