

The CHAIRMAN: Moved by Mr. Hanson, seconded by Mr. Duff, that Bill 79 referred to this committee by the House be reported to the House without amendment.

I declare that motion carried.

Mr. HANSON: I move the same motion in regard to Bill 83.

The CHAIRMAN: It has been moved by Mr. Hanson, seconded by Mr. Duff, that Bill 83 referred to this committee by the House be reported by this committee to the House without amendment.

What is your pleasure in reference to this motion?

That is carried.

Sir HENRY THORNTON: I take it, Mr. Chairman, that this committee will meet with respect to the operations of the Canadian Government Merchant Marine. The hour is a little late, but I have a statement which I would like to make, and which has to do with the railway situation but at the same time it can be just as well made to-morrow morning or some other time when this committee convenes; but I would not want the committee to disperse without my having an opportunity of making a general statement which I think has to do with the transportation situation in Canada.

Mr. HANSON: I think every opportunity ought to be available, Sir Henry.

Sir HENRY THORNTON: If you do not mind my making that statement to-morrow, it is not contentious.

The CHAIRMAN: I think there will be enough business to keep us going for another sitting.

Mr. McGIBBON: Why not have it done to-night, and then it will be clear for to-morrow with the Merchant Marine.

Mr. BEAUBIEN: It is now six o'clock, Mr. Chairman.

Sir HENRY THORNTON: I would rather that the Minister should be here.

The CHAIRMAN: To-morrow morning at 11 o'clock.

The committee adjourned to meet on Thursday, June 25, at 11 o'clock a.m.
