The Happy Boy Makes the Best Student

Good health and good clothes make a happy boy. **CLOTHING** and **HEALTH** go hand in hand. If a boy is well clothed he is contented and happy, and happiness brings good health. We sell the kind of clothes that makes a boy feel proud among his fellow school-mates-clothes that will stand up to the strain demand put on them by active, healthy boys.

At the present time our splendid Boys' Department is stocked to overflowing with the new models of Suits, Top Coats, Reefers and Novelty Garments for the smaller children.

Price quotations won't tell you much until you have seen the clothes; but you can bank on this fact, that dollar for dollar there is no house in Canada can beat us. If you wish to have your boy stand out distinctive among his chums as the bestdressed boy at school, we can do it to perfection and touch the purse strings so lightly you'll wonder how we do it.

By a Staff Reporter. HAMILTON, Thursday, Sept. 9.—Ham-liton citizens demonstrated their patriot-ism and desire to assist in every manner in the work of providing comforts and supplies for the soldiers in the English and French hospitals, and for the supply-ing of equipment for the Red Cross work-ers on the field of battle by attending the united patriotic fete held at the cricket field yesterday afternoon and evening in thousands. Some weeks ago the Canadian Club pledged itself to raise \$10,000 for this work by holding the fete. and, while no definite figures could be as-certained last night, it was announced that the desired mark had been passed. Nearly 18,000 persons were present dur-ing the afternoon and evening. The affair was the biggest of its kind ever held in this city. Deened by Mayor. According to the submarine commander's report, the submarine was engaged in destroying a freighter when the Arabic was sighted. The submarine was then on the surface. The Arabic, the commander de-clares, swung about and headed towards the freighter as if to attack the submarine. The commander of the undersea craft remained in doubt as to the intentions of the Arabic when the latter changed her course a few points, but still kept headed in a direction that was bringing her nearer to the scene.

Nearly \$2000 was netted for the Red Cross by the committee in charge of the Arawing for the Ford motor car, which ended yesterday at noon. At that hour Mayor Walters picked out the winning ticket and handed it to Sir John M. Gib-son, who announced that \$26 was the winning number.
