

THE KING EDWARD TORONTO

is without doubt one of the finest and best equipped hotels on this continent. Ornate in appearance, situated in the heart of the business district, built on the most modern lines, and Absolutely Fireproof, it offers to Tourists and the Travelling Public in general, accommodations second to none in the world. It has 400 Rooms, single and *en suite*, furnished in a manner calculated to secure a degree of comfort seldom found even in private homes. To the bedrooms are added 350 bathrooms, and with clothes closets, mantels, a telephone in each

tance and interconnections, besides accessories, the fitted to cater to the exacting. Large, ated dining rooms, private dining rooms, parlors, lounge, writing rooms, etc., make up as complete an establishment as can be found anywhere on earth. All air used in the hotel is filtered through a water shower from top to basement, which insures a perfectly pure atmosphere. The hotel is conducted upon both European and American Plans, and notwithstanding the luxuriousness of the accommodations supplied, the rates are entirely reasonable. The hotel's magnificent new busses meet all trains and steamers, fare 25c.
