

A wife or husband is a competent witness in all cases for an accused. He or she is compellable as a witness for the prosecution in offences against morality, seduction, neglect of those in one's charge and many others. The accused is also competent, but not compellable in all cases. If an accused does not testify in his own behalf, no comment can be made upon the fact by prosecuting Counsel or the Judge.

No more than five experts are allowed on each side.

I have never known a murder case (except one) take four days — most do not take two, even with medical experts.
