

Major League Baseball Clubs Begin the Season

Note and Comment

The baseball season is on in earnest. The fans do not wait for the International. Most of them have clubs and men they follow in the big leagues that started business auspiciously yesterday. The first games would indicate some changes from the usual order.

The Boston Nationals, under Kling and Ward, topped over Philadelphia. Cincinnati with Hank O'Day, the ex-umpire, as pilot, made good at home, tho the Reds generally start the season better than they finish. New York Giants batted like our own Leafs, collecting 20 hits and 18 runs at Brooklyn. Pittsburgh were the only team of the sixteen to suffer a shut out, and they received the dose at St. Louis.

In the American League, Cleveland entertained Detroit and furnished the only extra innings incident the home team earning the decision in the eleventh. The Boston Red Sox won at New York. The world champion Athletics, who reported in a crippled condition, won from Washington and Walter Johnson, while Chicago out-scored St. Louis.

New York in the National and Boston in the American were the only visiting teams to win. Large crowds were the order, showing that interest in Uncle Sam's national game has not abated, and promises to keep up the season. Boston was the only club to pull out a double winner.

The Leafs keep up their winning gait, Norfolk again proving the easy victim, tho the poor Yankees received a drubbing at Newport News in a game that was hastily arranged.

There is a mean business about gambling in baseball, yet we have a set of prices passed and spread broadcast as to the result of the races in the big leagues. Here they are:

Athletics 7 to 5
Detroit 10 to 1
New York 10 to 1
Cleveland 15 to 1
Chicago 20 to 1
Washington 50 to 1
St. Louis 100 to 1

National League
New York 2 to 1
Philadelphia 7 to 2
Pittsburgh 4 to 1
St. Louis 5 to 1
Cincinnati 25 to 1
Brooklyn 50 to 1
Boston 100 to 1

The Newark International League Club is on the warpath. They say they have circumstantial evidence that another club's manager in the circuit has been tampering with two of the Newark players. The secretary says: "If I can secure absolute proof that a man has been tampering with my players, I will take the matter to President Barrow. It isn't fair to say they are in the place, and furthermore, the offence warrants expulsion from the game. I have been keeping in touch with the situation for several days, and I am sure that we are not mistaken. The players I mean have been secretly approached by a rival manager and told to lie down on the Newark Club that when we have released them they can secure new positions for more money. I don't care to give the name of the man I have in mind, but it will all come out in due time."

Sam Langford, flushed with a victory over Sam McVey in Australia, has returned his challenge to try out the Baby in Madison Square Garden in June. It is said that the New York State Athletic Commission will permit Johnson to box a negro, but will not be allowed to put on the gloves with any of the so-called white hopes.

LEAFS WIN FINAL AT NORFOLK

Batting Rally in Third Makes It Easy for Toronto—Yanigans Beaten 6 to 1 at Newport News.

NORFOLK, Va., April 11.—The Toronto Leafs won another game to-day from Norfolk by 6 to 1 in a tremendous batting rally in the third inning, when six runs were scored. Johnny Lush pitched the whole game for the Leafs and received perfect support, altho Holly slipped up on a hard chance. The Leafs never tried to score after the fourth inning, hurrying the game along so as to catch the 6 o'clock boat for Trenton.

Norfolk batted in two runs in the opening innings on a pass, sacrifice, two singles and a double. In the eighth they filled the bases with nobody out, but could only score one run. Outside of these innings Lush had them at his mercy.

The Leafs scored in the first inning on McConnell's single and Shaw's double. Lush pitched a perfect game, allowing only one run in the third inning.  Home Teams Win Other Three Games In National League—Pittsburgh Shut Out.

At Brooklyn—New York won the opening game before the largest crowd that ever attended a National League contest here. So dense was the crowd that it encroached on the diamond and a bat of police had to be called in on the advice of Mayor Hylan to give the players room. A hit into the outfield that would ordinarily have been an easy out, went for two bases. The New Yorks got ten doubles. They piled up 18 runs off the three Brooklyn pitchers.

The game was the most remarkable one in the history of the local over St. Louis. Brooklyn played more than a score of years ago, on the old grounds diagonally across from the present one at Washington Park. The crowd, which was estimated at 30,000 and overflowed the field clear up to the diamond. It looked for a time as if the Brooklyn game, as special policemen were helpless. Finally President Ebbetts appealed to Mayor Hylan to send in a detachment of police to clear the field. The police were unable to stand the crowd and the game was suspended for several hours. The game was resumed at 10 o'clock and the New Yorks won by a score of 18 to 0.

At St. Louis—Thirteen hits, including a home run by Evans, enabled St. Louis to shut out Pittsburgh in the opening game. Evans' home run followed the first hit by Konechny in the sixth. Score: St. Louis 03000320X—7 13 1
 Pittsburgh 00000000—0 0 1
 Batteries—Hansen and Ellis; Camnitz, Adams and Gibson.

At Cincinnati—By far the largest crowd that ever saw a ball game in this city saw Cincinnati win the opening game of the National League season by a score of 10 to 0. Humphries pitched a perfect game. The game was remarkable for the good fielding, including a double play by Bates, Egan, Beecher and Fiebel. Bates, Egan, Beecher and Fiebel started the game for the locals, while Sheppard and Schutte hit well for Chicago. Score: Cincinnati 005000100—6 10 1
 Chicago 00000000—0 0 1
 Batteries—Cole, C. Smith, Riche and Ancher; F. Smith, Humphries and McLeh.

At Boston—President Thomas M. Lynch of the National League saw a Boston team of last season, now rejuvenated, defeat the Philadelphia Athletics in the first game of the season. A crowd which nearly filled the grandstand applauded the frequent and heavy hitting Spratt triple and single. The unusual play of a home run, leading with a home run, triple and single. Lacrosse Gossip

The Canadian Lacrosse Association is making all preparations for one of the best seasons in its history of a quarter of a century. The amended residence rule, the qualification now being the first of May, should operate to great advantage in many places where the stringent requirement of a residence dating from Jan. 1 had the effect of keeping the players out of the game last season, and all the players in their own districts and then the players in their own districts and then the players in their own districts.

The C.L.A. officers are doing all in their power to help it along. This week the President Kelly is touring Eastern Ontario and expects the result to be the formation of a new team in each district on a firm basis, with eastern senior and junior sections organizing to decide the winners of the western section.

The support of the Amateur Athletic Union for the national game, and the certainty of the formation of a new team in each district on a firm basis, with eastern senior and junior sections organizing to decide the winners of the western section.
