After fighting hard the last five years. for the junior Ontario football champion- cial.)—Toronto found little trouble in ship, All Saints were finally rewarded defeating Providence to-day in the last night, when they defeated Milverton first game of the series by a score of on Broadview Field 2-1. The Saints won the first game at Milverton 2-0, and as around the home team, at the bat, in goals counted on the round, they win the field, and on the bases. McGinley

was the hero of the occasion. He was being ahead at half time 1-0. However, all Saints bucked up and in the last half tallied two, Canfield scoring the first on a pretty side shot, while Kyle scored the second on a pass from Canfield. Spencer was responsible for Milverton's tally, scoring on a rush from centre.

Jimmy Preston, the Stratford junior hockey player, played a grand game in goal for the visitors, and it was owing to his good work the score was kept down. Spencer and Hart, on the forward line, were the best. For All Saints, Roberts, at back, was everywhere in evidence, and all thru gave a magnificent exhibition of how to play football. Bert Darlington, the captain of the team, for the last four or five years, was a happy boy last night. Bert has not been able to play in the semi-final and final games owing to an injury received. Another player who was missed and will not be in the games for the intermediate championship was Vic Carroll. Carroll has left the city. President Bridge of All Saints also wore a happy smile after the game. The teams:
