

Public Amusements

Adelaide Herrmann Coming. As the top-liner for next week Mr. Bhaas has signed Mrs. Herrmann, widow of the late Mr. Herrmann, who has the most handsomely staged and best musical act in the country to-day. Nat M. Willis, the happy tramp, has secured a program that are new and best of all original. He has made the biggest bit of any monologist in vancouver this season. George W. Moore of about bridge game, is very funny, and keeps his audience amused for the time he holds the stage. Emily Lytton and Charles Bower will be seen in "A Wise Guy," by George St. John. Cadeau is the most starting and sensational wire performer in the world, and is justly entitled to the name king of the wire. The Best Trio have a refined musical act, and Williams and Adams, comedians, complete a very strong bill.

"Monks of Malabar." "The Monks of Malabar" certainly merit a larger attendance than that which turned out last night at the Grand Opera House. Francis Wilson, who has given many weeks in a very funny mood, and the singing of the principals and the chorus are all that that could be desired. Marie Celeste, as dainty and pretty as ever, and Van Bessiere, Wheeler, the nabob, were the most remarkable. "Monks" also are so full of catchy airs as some of the comic songs, and the scenery and costumes are also away above the average comic productions. Francis Wilson is a good cure for the "blues," as exemplified in "The Monks of Malabar." This opera will be sung the rest of the week, with a Saturday matinee.

Box Parties at the Toronto. The attendance at the Toronto Opera House, where William H. West's Minstrels are presenting a high-class attraction, is increasing nightly. The entertainment is above the ordinary class of shows given by amateur organizations, and is recognized by the best theatregoers of the city. Several box parties have already been arranged for this week. The quality of the entertainment, coupled with the fact that Mr. West has many friends here, assures the company of a successful engagement. The management of the organization desires the public to know that children under five years of age will not be admitted under any circumstances whatever, as it is desirable that the audience shall not be disturbed by restless infants. A complete change in the songs and jokes is promised for Friday night. The attraction next week is "Down on the Swanne River."

To Present New Drama. A melodrama, well-known to the Toronto, will be presented by the Valentine Stock Company at the Princess Theatre next week, under the title of "The Electrician." The play is by Charles J. Blaney, the author of "Across the Pacific," and numerous other pieces of a sensational nature, and it is admitted one of the best melodramatic pieces that he has ever produced. The play demands great scenic production to be effective, and the Valentines intend to devote great attention to provide the four acts of the new play with an adequate scenic investment. Mr. Harry Glazer, who has presented such an addition to the Valentine forces, will play the leading role of Tom Dixon. On Monday night unusually attractive concerts of Harry Glazer will be presented to the patrons.

"Sidney Lanier an Appreciation." The last public entertainment of St. Andrew's Guild will be held in the school room of St. Andrew's Church on Tuesday evening next, the 22nd inst. It will be a literary and musical character. The sheet music of the evening will be an address by Dr. Armstrong, entitled "Sidney Lanier an Appreciation." The meeting, as usual, will be an open one.

Women's Musical Club. An important social and musical event was the spring meeting of the Women's Musical Club, held in the theatre of the Normal School Thursday evening. Mrs. J. E. Wyman was easily the star of the evening, followed closely by Mr. Drummond and Miss Prinslow. Her former, a baritone of no mean vocal ability, the latter a pianist whose brilliant technique aroused much admiration. Miss Kate Archer, who by the cultivation of a little more dash and fire might become a fine violinist, showed excellent command over her instrument. An interminable and meaningless concerto by Giesz, two Mrs. Covert and Mr. Atkinson. The famous Beethoven trio for piano, violin and cello, was ably executed by Miss Birnie, Miss Adamson and Mr. Paul Hahn.

Memorial Organ. A largely-attended gathering of Toronto's representative musicians was held in Jarvis-street Baptist Church Thursday evening to consider what steps should be taken with regard to the Victorian Memorial Organ, to be placed in Massey Hall. After speeches had been made by Messrs. A. S. Vogt, Blakely, Torrington, etc., it was decided to place a subscription book in the hands of every chorist for the purpose of receiving contributions. A deputa-tion was also appointed to request the City Council for a grant.

Miss Lois Winslow. On a recent trip to the Pacific coast, Miss Lois Winslow seems to have received an ovation throughout the tour. Here are some comments of the winter press. "Her spirit of interpretation was exquisite." "Hoseland Miner." "Miss Lois Winslow, a young and undoubted genius." "Winnipeg Free Press." "She has a graceful style and fairly perfect voice." "Vicen News." "The hearty applause evoked was a richly deserved tribute to her mastery." "Vicen News." "The Dargers and the Cross." The sale of seats opens on Monday.

A Piano Recital. A piano recital by Miss Eleanor Kennedy attracted large numbers to the Toronto Conservatory of Music Thursday evening. Miss Kennedy's playing was chiefly remarkable for its unusual emotional expression. Her rendition of Brahms' "Fingerringel" was excellent, and deserves great praise. She was ably assisted by Miss Lillian Kirby and Mr. James Richardson.

The Tripp-Holtzman Recital. There seems to be no lessening of the general interest in the recital to be given in Association Hall on Tuesday next by Mr. D. A. Tripp, Miss Emily Holtzman and Miss Lois Winslow. While the sale of seats has been excellent, no one has been deterred from trying to secure tickets, as quite a few of the choicest are yet un-sold. The Dargers and the Cross. The sale of seats opens on Monday.

Victoria to Crosse. The closing exercises of the Theological Department at Victoria College commence this evening and on Tuesday. An important feature will be the baccalaureate service by Rev. Principal Maggs of the cathedral, in the Metropolitan Church on Sunday evening, with an address to the graduating class by Rev. Chancellor Burwash.

Robert Mantell. Robert Mantell opens his spring engagement at the Toronto Opera House on Monday, April 22, presenting the first week "The Dargers and the Cross." The sale of seats opens on Monday.

You feel old. A single day seems almost a year. Hour after hour, from morn till night, you can hardly drag yourself through your work. Even night brings no rest, for you toss about, too tired to sleep. What is the cause of all this? Impure blood. Get rid of these impurities at once. Put your blood in better condition. Build up your nerves. Take a bottle or two of the only Compound Concentrated Extract of Sarsaparilla you can buy—that's Ayer's. Ayer's Sarsaparilla makes old blood young.

"I want to tell you of the good your Sarsaparilla has done for me. I was so poorly that I could hardly get about to do my housework. After taking two bottles of the Sarsaparilla I now feel well, have a good appetite, can do all my work, and sleep good at night."—Mrs. N. S. SWINNEY, Princeton, Mo.

One dollar a bottle. All druggists. Ask your doctor what he thinks of Ayer's Sarsaparilla. The probability is he has prescribed it a great many times and knows just what it will do. Then ask him if he does not think it is precisely the medicine you need this spring.

TRIAL OF A RUSSIAN GIRL.

Student Who Tried to Shoot Prof. Deschanel at the College of France. Paris, April 19.—Great interest is taken here in the trial of Vera Geio, the Russian girl student, who, Jan. 29, tried to assassinate Prof. Emile Deschanel, the aged Senator and father of the President of the Chamber of Deputies, by firing a revolver at him just as he concluded a lecture on French literature, at the College of France. The interest in the case is heightened by the fact that Zelenka, the Russian girl student friend of Vera Geio, who intervened between the latter and Prof. Deschanel, at the time, and received a bullet in her chest, died in the hospital after lingering some time in agony. Prof. Deschanel frequently visited the wounded girl at the hospital, and she was the recipient of flowers up to the time of her death.

BABY FELL INTO A WELL.

Little Tot Followed Her Grandfather Out of the House to Her Death. Burk's Falls, April 19.—On Saturday last, the 17-month-old baby of Mr. John Crozier of Hors Lake, followed her grandfather out of the house to the well, where a pail of water was drawn. The baby remained outside playing and in a short time went over to the well and looked into the well-known well. The child slipped and fell and, her head striking on the rocks on the side of the well, she was killed before she touched the water. The body was found some time afterwards floating, face upward, in the well. The sympathy of the community in their aid and bereavement. Rev. R. J. Sturgeon conducted the burial services on Tuesday afternoon at Berriedale. Mr. Crozier is a son-in-law of Mr. James Wiseman.

EXHAUSTED NERVES.

Mrs. D. W. Cronberry, 168 Richmond Street, Toronto, Ont., writes: "My daughter, who sews in a white goods factory, got completely run down by the steady confinement and close attention required at her work. Her nerves were so exhausted and she was so weak and debilitated that she had to give up work entirely for some weeks. "She then began to use Dr. Chase's Nerve Food and found it excellent in restoring her to health and strength. She is now greatly improved and at work again. Dr. Chase's Nerve Food also helped her through a very severe attack of a gripple. I can recommend it as an excellent remedy."

Dr. Chase's Kidney-Liver Pills

ONE PILL A DOSE, 25c A BOX. Mr. Alex. Marshall, 56 Essex Street, Toronto, says: "Dr. Chase's Kidney-Liver Pills are a splendid medicine and certainly the best I have ever used. Both myself and wife have been greatly benefited by their use. I had kidney disease and pains in the back for over two years, and at times the pains were so acute that I was totally unfit for work. Among the remedies I tried were English pills supposed to be good, but they did not fit my case. "I heard Dr. Chase's Kidney-Liver Pills highly praised, and used them. I now feel like a new man. The pains and aches have entirely disappeared, and I can now work with comfort. My wife is much improved in health, and we both endorse Dr. Chase's Kidney-Liver Pills most heartily."

Dr. Chase's Ointment

HAS NEVER FAILED TO CURE PILES. Rev. S. A. Duprau, Methodist minister, Concession, Prince Edward County, Ont., states: "I was troubled with itching and bleeding piles for years, and they ultimately attained to a very violent form. Large lumps or abscesses formed, so that it was with great difficulty and considerable pain that I was able to stool. At this severe crisis I purchased a box of Dr. Chase's Ointment, but I had little or no faith in it, as I had tried various remedies before and to no purpose. "Now, imagine how great and joyous was my surprise to find that just the one box cured me, so that the lumps disappeared and also the external swelling. I feel like a different man to-day and have not the least doubt that Dr. Chase's Ointment saved me from a very dangerous and painful operation and many years of suffering. It is with the greatest pleasure and with a thankful heart that I give this testimonial, knowing that Dr. Chase's Ointment has done so much for me. You are at perfect liberty to use this testimonial as you see fit for the benefit of others similarly afflicted."
