This year will see no relief, it was stated, but possibly the work will be commenced early next year. Chairman Saunders declared that the sewage beds are very full even in the dry season, and it was feared by him that a flood might result in the sewage backing into the city's cellars.

Much of the piping will have to be relaid, as some of it is not of as large a diameter as it should be.

SARNIA EXPECTING **WORD OF MORE NEW VISITED ST. THOMAS** Check Artist Seen in Stores

Police learned today that "Jean Paul Duboy," who fleeced London clothing merchants on Saturday by cashing \$100 forged checks, offered in payment for suits of clothes, came to this city on Saturday from St. Thomas, where he is is believed, see several important announcements made with regard to the location of additional new industrial plants here. Several weeks ago the Wills-Lee people made the announcement that "they were in touch with industries desiring to locate on the Canadian side of the St. Clair district, and the industrial committee of the chamber of commerce, which since its inception several months ago has done some energetic work, have negotiations under way with others.

Meantime on the reserve there is much speculation among the Indians as to developments during the next few months. The Indian band has made known its willingness to sell sites to the same bad check swindle.

The well-dressed Duboy, possessor of a pocketful of marked bank checks from Ottawa, written for amounts from \$100 up, was seen in clothing stores in \$t. Thomas, but no informations have yet been laid with the police.

With a six-day start before the checks he cashed in this city were known to have been forgeries, Duboy is believed to have put a considerable distance between this city and district and his present whereabouts.

Dubov's description and his methods have been sent broadcast by the police. ave been sent broadcast by the police.
