The whole affair was trumped up with premeditation by a band of fanatics who wanted to strike a the Catholics and paralyze the enrolment of soldiers. #### HOW THIN PEOPLE CAN INCREASE WEIGHT

With 10 to 30 Pounds of Solid,

Healthy Flesh-A New Discovery. Thin men and women—that big hearty, filling dinner you ate last night. What became of all the fat-producing nourishment it contained? You haven't gained in weight one ounce. That food passed from your body like unburned coal through an open grate. The material was there, but your food doesn't work and stick, and the plain truth is you hardly get enough nourishment from your meals to pay for the cost of cooking. This is true of thin folks the world over. Your nutritive organs, your functions of assimilation, are sadly out of gear and need reconstruction.

Saltogyn, too, mixes with your food and prepares it for the blood in easily-assimilated form. Thin people gain all the way from 10 to 25 pounds a month while taking Saltogyn and the new flesh stays put. Saltogyn tablets are a scientific combination of the best flesh-producing elements known to chemistry. They come 40 tablets to a package, are pleasant, harmless and inexpensive, and
