

Rugby Saturday Aftermath Hockey More Seniors for the H.A. Bowling League Scores

Note and Comment

A. S. Lawson, the half-back, who graduates from Toronto University this year, might take offence owing to the proffer of positions in different places, suspecting that his prowess as a smashing football player is more appreciated than any ability he might develop as a mixer of pills. It is St. Paul's own intention to take a post-graduate course in New York, and it is hoped he will stick to his original desire, unless he hangs out a stilette too far from the Argonaut Rowing Club. Lawson has been offered the position of house surgeon at the Hamilton hospital, and Ottawa doctors, something in the civil service line.

One Hamilton paper propounds the question, Can Varsity play Tiger? expecting a probable answer other than the correct one. "Surely," it says, "these teams will never meet, for there is a chance of an exhibition at Philadelphia to show up the American game."

A Brooklyn correspondent writes about a hot pool on the Ottawa-Varsity game, showing how they regarded the teams before the game, even in the neighborhood of Montreal and the capital, he writes:

"A pool was entered into as to the outcome of the Ottawa-Varsity game. Two of the scores named were 20-15 and 20-3. Would you kindly tell me through your paper which of the above scores is the nearest to the total? Which guess won?"

The New York Veteran Cricketers' Association have elected their officers for the coming year, and have outlined some of their plans. The Veterans will again place two teams in the field, and it is their intention to try to arrange three tours for next season, and to spend a week each in Philadelphia, Toronto and the New England States.

They must have pretty classy pitching in the American Baseball Association, for just one man was able to get into the 300 average, according to the official batting averages just made public by President J. D. O'Brien, who compiled them.

Spencer of St. Paul was the one who earned the lion's share, his average for 34 games being 32.3. Next in order is Tip O'Neill of Minneapolis, who averaged 29.7. The other players who participated in over 100 games were able to negotiate 230, this being Craven of Minneapolis, who got a couple of meals with the Chicago Sox early in the season. Charlie Fox was eleventh with 27. Hayden of Indianapolis, who led the league in 1908, was way below the list this year, with only 17.2.

272. Columbus led the league in club batting, with 247. The champion Louisville Club was way down in this respect, being sixth, with 123.

Vancouver expects to land the Mitre Cup next year. At least the lacrosse club there is doing its best during the open season. The Vancouver World ventures a probable line-up of the team that will represent Vancouver next season, predicting that the selection will not have more than two changes from the following:

Goal—Derek G. G. Ennis.
Point—Harry Griffith.
Cover-point—Johnny Howard.
First defence—W. A. Ennis.
Second defence—Harry Pickering.
Third defence—E. J. Clarkson.
Centre—George Matheson.
Third home—Ernie Murray.
Fourth home—Bones Allen.
First home—Spide Hennessy.
Outside home—Archie Anderson.
Spurs—Rome field, Dolly Durkin; defence, A. P. Garvey.
