TURF GOSSIP.

James Butler has just arrived in Juarez, Mexico, for an extended vacation. Mr. Butler is one of the financial backers in the new rate track opposite El Paso and is anxious to make a few personal observations. The track cost nearly \$800,000, it is said, and the meeting which began on Dec. 1 and has not been a really fair test, is encountering numerous setbacks. When the Juarez track was projected it was believed that winter racing in the United States was a dead issue, but with Jacksonville, Tampa and Oakland all in full blast the plant in Mexico appears to be having an uphill fight.

W. K. Vanderbilt, who this year is far in the lead of winning turfmen the world over, has at the Haros de Villelou the stallions Turenne, Maintenon and Prestige and 40 brood mares. Many of the brood mares are American bred. The horses in training are at St. Louis de Poissy, with William Duke in charge. Duke is at present at Wellsville, N.Y., his home. Frank O'Neil and William Mitchell are engaged to do the riding for Mr. Vanderbilt in 1910. This year for the first time the get of Prestige and Maintenon will be seen in public, Fifty horses in all comprise Mr. Vanderbilt's stable for 1010.

Classy Indoor Rumors.

Buffalo News: The next indoor games at the 74th Regiment Armory which will be run off on New Year's Eve, has received the entries of more athletic stars than have ever appeared on an indoor program in this city.

With such famous mile runners as Jack Tait, the Canadian champion, and Wilton C. Paull, the college record holder of this country, both of whom will battle for the international championship fat this distance, the contest should be worth going many miles to see. In addition to this splendid attraction there will be the famous Bobby Kerr with a record of 9 4-5 seconds for 100 yards and the winner of the 200 metre race at the Olympic games, in which event he defeated all the European and American Sprinters.

The Toronto University will send over its undefeated medley relay team to try conclusions against the 74th champions, who up to date have not been defeated in a race of this description and who will give the Canadians the race of their lives on the night of the 3ist.
