towards entertainment expenses, but the smaller sum was voted. That there will be 1000 bowlers on the city. 300 will go towards the printed mat-

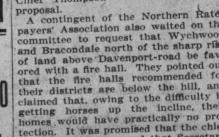

#### Roadway Repairs Fund.

The city engineer, in a letter, un-folded a new idea, that of setting aside any surplus between the esti-mated cost and the actual cost of pavements laid down by the city, and putting it into a general fund for roadway repairs. At present the rate-payers only pay the actual cost of local improvements, and, save in the case of busy thorofares, are charged for roadway repairs as a local improvem

Objected to Firehall. Vigorous objection to the locating of

a firehall at the southwest corner of Avenue-road and St. Clair-avenue, on the ground that the residential char-acter of the neighborhood would be damaged, was expressed before the ure and light committee vesterday by a and light committee yesterday by a deputation from the College Heights Association, while Bartle E. Bull, ra-presenting the Methodist Deaconesses Home, on the southeast corner, also

John Macdonald, chief spokesman for the association, suggested that the firehall be placed near the corner of St. Clair-avenue and Yonge-street, and Chief Thompson will report on the

H. M. Fletcher Heroes of Last Great Event of Choral Season.

MASSEY HALL RESOUNDS

WITH SCHUBERT TRIUMPH

Great Britain and Canada. Among to a higher pitch than last night in kingston Penitentiary to serve a two year term. Reid, at the time of his Masséy Music Hall, when the Schubert Choir gave the second concert of the season, assisted by Madam Jomelli and the Pittsburg Orchestra under Emil Paur. It was Madam Jomelli who excited the greatest ardour, and indeed such a greeting as she received at the close of the aria from "Tristan and Isolde" falls to the lot only of the most favor-

His proposal was an imperial navy of the aria from "Tristan and Isolde" under one head, which would stand falls to the lot only of the most favorunder one head, which would stand for unity and co-operation. "Let us call off the bluff," he said: "the governemnt's proposals are ridi-culously inadequate." reception. In response to the recall she gave the "Dich Theure Halle" from Tannhauser. It was her last appear-ance and the audience seemed unable

to let her pass from sight. Again and again she was summoned, and four times she returned kissing her hands and waving her adleux to the audience and chorus. Her singing in Schubert's Choral Ode and in The Spinning Chorus was equally appreciated. Mr. Fletcher was more liberal than

on the previous evening and his chorus showed that every one of the 190 were under perfect control. The high standard to which Toronto has become accustomed does not permit any slip-shod work, and last night's singing inshod work, and last night's single in-dicated that nothing that training and rehearsal could do was absent. Per-haps the enunciation might be a de-gree sharper, or the pronounciation a shade more definite or the phrasing a thought brisker at times, but these are matters that come with years of work matters that come with years of work, and the fine tone, the precision, the

volume and balance were all that a conductor could achieve. Á. E. S. S.
