Fault With Toronto-Hamilton Road.

SUBMITTED REPORT

Works Department to Control City's Section of the Road.

terday morning he said that 29 bays, or sections of concrete between expansion joints, are cracked in a distance of three-quarters of a mile, and pointed out that a large number of the joints are raised so high that in going over them in a motor car the bump received was quite noticeable. In the section of the road between the two turns east of Oakville there are 28 gracked bays. These cracks are nearly all longitudinal and vary from hair oracks to ones two and a half inches-in width. Many more complaints are made by the commissioner, but these are the salient features of the report.

Pointing out that he was only looking after the taxpayer, Mayor Church referred to the fact that up to the pre-sent time there has been no heavy traffic on the road. He declared that he did not desire to cast reflection on the work of Mr. Gooderham, the chair-man of the highway commssion, but at the same time made it clear that if such a road had been laid in Toronto the ratepayers would charge the corgoration with gross negligence and a good many other things.

Finally it was decided to place that part of the road in which the city is concerned, under the control of the works commissioner. This step was taken on the advice of City Solicitor

RIOTS IN BULGARIA ARE HARD TO QUELL

Pro-Russian Demonstrations Break Out in Several Large Centres.

ATTACKS ON SOLDIERS

Troops Mutinous Because of Food Scarcity and Arrears in Pay.

bronden Aug. 22.—A despatch to The London Times from Bucharest, dated Sunday, says:
According to trustworthy news received by The Journal Epoca, the situation in Bulgaria is very critical. During the last few days pro-Russian lemonstrations have taken place at Philippopholis, Iamboli, and Stara Zagora, and the government was compelled to call upon the German division to crush them. The gopulation attacked the soldiers, who fired, killing and injuring a great number of rioters.

It seems that the situation of the Radoslavoff cabinet is very critical.

Another despatch to The Times from the Roumanian capital, bearing date of Saturday says:
Bulgarian deserters who have arrived in Roumania declare that the spirit of the Bulgarian troops is very low on account of their not receiving pay for six months and insufficient food. All their movements have been made on foot, whereas the Austro-Germans are well fed. regularly paid, and all their movements are made by train. According to imistworthy information, Bulgarian troops are continually being moved toward the south in order to meet General Sarrail's offensive.

Harris there is a good deal wrong with
the Toronto-Hamilton highway. In
the report to the board of control yesprogress made by French troops during the night southeast of the Thiaumont work in the Verdun sector. German attacks on Fleury Village and in the neighborhood of Fort Vaux were checked with heavy loss to the enemy. The statement follows:

"On the right bank of the Meuse (Verdun front) toward evening yesterday our troops, under daring leadership, captured an appreciable amount of ground southeast of the Thiaument register. mont work and took about 40 prisoners.
"Toward 11 o'clock at night the Germans delivered two attacks, one against the Village of Fleury, the other against our positions near the road leading to Vaux Fort. These attempts resulted only in heavy losses

"There was intermittent cannonading on the remainder of the front." REGINA ENQUIRY DRAGS.
