

URGES WEALTHY TO SUPPORT OF INSTITUTIONS

Rev. R. G. Fulton Speaks of Giving for Public Causes

In making the announcement in Centenary church last evening, the minister, Rev. R. G. Fulton, referred to the concert soon to be held by the ladies of the Hospital Aid.

Mr. Fulton said it was a matter of great regret that public institutions are not more generously supported by our wealthy citizens. Aside from the bequest of the late William Crawford, it was difficult to recall any gift of generous proportions to the public institutions of the city. In England and Scotland, he had noticed that in nearly every case hospitals were supported by public gifts, yet here not only were gifts withheld but he had even found a sentiment against such gifts on the ground that being public institutions they should be supported by the city or county as the case might be.

Mr. Fulton said that while he was quite prepared to admit the obligation that did not relieve the wealthy of their responsibility. It was a matter of great regret that men who had lived all their life in Saint John and had made their money here did not feel sufficient moral obligation to set aside a portion for institutions, such as our hospital, Victorian Order of Nurses, the Health Centre or the Public Library.

"It is earnestly hoped," said the speaker, "that there will be a generous response to the efforts of the Hospital Aid for the much needed maternity wing for the General Public Hospital."

SOUTH AFRICA FLAG VOTE PLAN OPPOSED

CAPE TOWN, Sept. 19.—Premier Hertzog's decision to submit the question of the new national flag to a referendum is opposed by the press generally. The Cape Times, the Rand Daily Mail and the Cape Argus urge the dropping of the flag question for the present.

The Times expresses a doubt as to whether a referendum is a suitable expedient for deciding the flag question unless provision is made that there must be a two-thirds majority in favor of the bill to carry the measure.

Mexican Film Star Threatens Suit

Dolores Del Rio, beautiful society leader, and a member of one of Mexico's "first families," who came to Hollywood a year ago to fulfill a movie contract, is threatening to bring a libel suit against a Mexican paper published in San Diego which carried a story saying she furnished a \$20,000 bail bond for the release of General Enrique Estrada, leader of a rebel army recently captured with arms and ammunition as they were about to attack Lower California. NINE ESCAPE DEATH AS CAR IS OVERTURNED

Large Moncton Auto Is Ditched at Hopewell Hill; Three Slightly Hurt

HOPWELL HILL, Sept. 19.—A large touring car owned and driven by a Mr. Ritchie, of Moncton, with nine occupants, ran off the road on the West hill here this afternoon while traveling at a high rate of speed, and turned bottom up. While miraculously escaping fatal or serious injuries several of the passengers received severe cuts and bruises.

The Moncton car was attempting to pass another car driven by a Watrous, when it was overtaken and forced to go to the bank, which is several feet high at this place. The top of the car was broken in and the windshield smashed. One lady passenger had her knee badly cut and also received cuts on her head. One of the men also had his head cut. The injured ones were cared for at the home of C. C. West.

She Was Weak, Thin and Nervous

One of the greatest strength givers and producers of good healthy flesh in the world is God Liver Extract. It's full of vitamins.

Thank goodness! that now, when a woman is weak and haggard and doesn't weigh what she ought to, she knows where to go for help as all druggists are now selling McCoy's God Liver Extract Tablets, sugar coated, and as easy to take as candy. And it's a mighty good thing for skinny, rundown men and women to know that they can get the real God Liver vitamins in condensed form, that they can easily carry with them wherever they travel.

Men and women, weak, thin and nervous, are urged to put on weight and get back their health and strength with these wonderful tablets.

One woman gained 15 pounds in five weeks and that's going fast enough for anyone.

Only 60 cents for 60 tablets, and if they don't put five pounds of flesh on any thin person in 30 days—why, money back and no quibbling about it, either.

But be sure and get McCoy's, the original and genuine. Watsons two stores, Ross Drug Co., Wm. Hawker & Son, and druggists everywhere are selling lots of them.

FAREWELL SAID TO TWO PRIESTS LEAVING CITY

Presentations Made to Rev. C. P. J. Carleton and Rev. C. Boyd

Rev. C. P. J. Carleton of Silver Falls said farewell to his parishioners on Sunday and was honored by them at a presentation event following the 10 o'clock mass. There was a large congregation present.

Mr. J. M. Donovan, representing the congregation, read an address in which sentiments of respect and love for their pastor were expressed, with words of remembrance of the years during which he had ministered to their spiritual welfare and reference to the close ties that had bound priest and people. Regret at his going from among them was joined with good wishes for a very happy pastorate at Milltown, N. B. to which charge he has been transferred. At the close of the address Miss Mary McDonald made the presentation of a bouquet and a substantial purse.

In replying, Father Carleton recalled the years he had been among them and spoke of the affection he bore the people of the Silver Falls parish. It was with feelings of regret that he left them. Many in the congregation were deeply affected as they listened to the farewell words of their pastor. Father Carleton will leave here on next Thursday to take up his duties in Milltown.

Rev. Charles Boyd of the Cathedral staff, who has been appointed by His Lordship Bishop LeBlanc to go to Rome for special studies, will leave here tomorrow afternoon for Fredericton, his native city, to spend a week or so before taking his departure for the Eternal City. He has not yet completed his plans for sailing, but will likely leave from Montreal or Quebec.

Father Boyd has been chaplain of the Cathedral Holy Name Society and as such has been the recipient of a purse of money from the membership. The presentation was made at the Palace by John Stanton, president of the Cathedral branch, who called with a delegation of officers and members composed of Charles Mitchell, Charles R. Murray, Patrick L. Jennings, Bernard Stafford, William McCann, Joseph McCormick, Thomas M. Burns, John J. Coughlan, Joseph P. Lewis, Edward J. Monahan, William M. Walsh, Louis J.
