ELINOR GLYN STORY AT THE IMPERIAL

Also Scenic Tour So. Shore
N. S. and "Our Gang"
Comedy

When Elinor Glyn starts out to tell a love story it is done in such a realistic way that one is carried along living with the leading characters and breathing with them too.

Madame Glyn's books first won acclaim and now she is making as definite a name for herself in her screen productions, for they are utterly unlike any other pictures made, and one is always sure of a palpitating moment or two when viewing a picture of hers.

"The Only Thing" which opened at the Imperial Theatre yesterday is by far the best picture she has given to the screen, even surpassing in interest the story of "Three Weeks" and the fiery one of "His Hour."

The characters in this newest Glyn offering are real. There is a Queen who might easily be a Queen. That is the leading feminine role played by Eleanor Boardman. Her exterior is dignified but there is a warmth beneath that is clearly discernible. Miss Boardman wears a blonde wig for the occasion. It is becoming and gives to the screen followers a new fair-haired beauty that easily might rival any blonde star on the screen. There is a grace and ease about Miss Boardman's performance that carries one away.

Conrad Nagel plays the leading male role—that of Harry Vane, Duke of Cherenix. He looks as he never has before. In his court uniform, in armor and in his naval uniform he presents a new Nagel. His fiery love for the beautiful Queen is nobly portrayed and one finds a sparkle never discerned before in this performance of his.

The story tells of a young Englishman who is sent to represent his King at the wedding of an old King to a beautiful Princess, and a great romance that grew out of it.

The comedy element in the program was of the most acceptable character, to wit, the rascally "Our Gang" in another of their kid fables. These two-reel offerings are being used all over the Keith circuit, nowadays in lieu of a straight vaudeville act—a tribute to their worth as entertainment. There was another good feature,

HAS SPOON SHOOT

M. O. No. 7 Permanent Force
Hold Trials Under Poor
Conditions

The M. O. No. 7 Permanent Force Rifle Association, held a spoon shoot on the local range on Tuesday afternoon under very trying conditions. The afternoon started out nicely, but soon after shooting commenced the clouds started to roll in and the haze became quite thick. The wind was all over the range and to top it all the heavy shower of the late afternoon caught everyone unprepared and even forced some of the contestants to retire from the 600 yards range.

The spoon winners were: "A" Class, Sgt. J. Soutter, R. C. A. S. C.; "B" Class, C. P. O. I. H. E. Thompson; "C" Class, Sgt. J. McEwen, C. M. S. C.

This association is planning on holding its next spoon shoot on the morning of the "Twenty-fourth."

MIRAMICHI HAS FOUR-TEAM CIRCUIT

CHATHAM, May 19.—The annual meeting of the Miramichi Baseball League was held in the Town Hall, here, last night. Delegates were present from the Newcastle, Loggieville and Chatham clubs. The Nelson club did not send delegates as they are withdrawing from the league this year on account of lack of suitable material.

The application of the Richbuck club for a franchise was accepted and they will be the fourth team in the league this season. Officers were elected as follows: E. W. Watling, Chatham, president; D. A. Jackson, Chatham, secretary-treasurer. These officers with the captains of the four teams will constitute the league executive. No schedule was drawn up last night but this matter was left until a further meeting next Monday evening when several other important items are to be considered.

It is thought that the opening date of the league will be June 1, instead of May 24 as in former years. The clubs were represented at the meeting by the following delegates: L. V. Flaherty, B. Harriman, Loggieville; W. Ferguson, A. L. Barry, D. P. Doyle, Rev. Mr. Grimmer, Newcastle; W. Ross and A. J. Veno, Chatham.

An exhibition game between Chatham and Newcastle will be played in the afternoon of Victoria Day. In the evening the local club will play a game in the shire town. The college diamond has been considerably overhauled this year and it is now in excellent shape. The local boys have had several good workouts and are rapidly rounding into form. A number of young players have been given tryouts and they show up well. Using these players in conjunction with the veterans the local club hopes to win the Miramichi League championship for the fifth time since its organization.

CHARGED WITH ROBBERY.
LAWRENCE, Mass., May 20.—Forrest Duncan, catcher on the Lowell team in the New England Baseball League, was arrested on a charge of robbery. The police charged that he was the lone gunman who held up and robbed a paymaster of \$12,000 at Woodhill, October 3, 1925.

Great Britain, Italy, South Africa, Sweden, France, Argentina and Czechoslovakia advancing. Great Britain will now oppose Italy, whose team defeated Holland 8 to 2.

Jack McKenna Wins Sydney Bout

SYDNEY, N. S., May 19.—Jack McKenna, of North Sydney, was awarded a technical knockout over Wolf (Kid) Melanson, of New Glasgow, in their scheduled 10-round bout at North Sydney tonight, when Melanson after being twice downed in the fourth round for counts of nine and eight, respectively, failed to answer the bell at the beginning of the fifth frame.

Melanson put up a game exhibition from the start, making McKenna extend himself to get the edge of the first three rounds.

About the middle of the fourth McKenna connected with a left hook to the jaw and the Wolf went down for the count of nine. A few seconds later a left uppercut sent him to the canvas again for eight. He arose and was putting up a defensive show at the bell. He was evidently badly hurt, and when the going went for the fifth, signified his inability to continue.
