Montreal Bouts.
Montreal, Sept. 15.—Leo Kid Roy, featherweight champion of the British Empire, earned the judges' decision over Frankie Daly, of New York, in a ten round bout here last night. The New Yorker was on the defensive throughout the bout and allowed Roy to do all the leading.

Roy was presented by Mayor Mederic Martin a handsome championship belt before the bout.

The other bouts were between local lightweights, Cossette won on a foul in the third round from Marco, and Gene Demers and Jimmy Knox fought ten rounds to a draw.

ROBINS BUY TWO PLAYERS.
New York, Sept. 15.—President Charles H. Ebbets of the Brooklyn club has announced that he has paid \$50,000 for Shortstop Johnny Jones and Pitcher Byron (Rube) Yarrison of the Portland Club of the Pacific Coast League. The deal was closed yesterday by President Edward J. McKeever, representing the Robins, and Scout Tom Turner, acting for Portland.

Jones, who is said to be one of the best fielding shortstops in baseball, has hit .300 in 130 games so far for Portland. He is fast on his feet, bats right handed, weighs 185 pounds and is 5 feet 10 inches tall. Yarrison has won fifteen games and lost four with Portland. He is a right hander, twenty-three years old, weighing 178 pounds and standing 5 feet 11 inches.

Miss Mona Robinson was the guest of honor at a novelty shower last evening at the home of Mrs. Alexander Cathness, 17 Lombard street. Many useful gifts were received. Dainty refreshments were served.

THE SHAMBLES BEFORE THE FIGHT

The Polo Grounds at New York. Doesn't look like a ball park, does it? This was taken as carpenters rushed construction of the seats for the gentle set-to between Mr. W. H. Deans and Mr. L. A. Finto for the heavy-weight title or some such silly thing. After the fight the outfielders will think they're running over the rocky road to Dublin.

Heilman And Hornsby Lead Majors' Batters

Averages Up To Wednesday for Players in 80 Games or More.

Chicago, Sept. 15.—Rogers Hornsby, St. Louis star, is leading the National League in batting with an average of .384, and bids fair to hold the advantage to the end of the season, not so much through improving his own average as through the tendency on the part of his nearest competitors to slump. Wheat of Brooklyn, runner-up last week, dropped 18 points into third place with .368. Bottomley, a team mate of Hornsby, remained stationary at .369 and was automatically carried into second place. The averages include games of Wednesday and are of players who took part in 80 or more games.

Cy Williams of Philadelphia is away out in front in home runs with 37. Other leading batters: Rousch, Cincinnati, .333; Fritch, New York, .309; Fournier, Brooklyn, .247; Hargrave, Cincinnati, .348; Young, New York, .341; Traynor, Pittsburgh, .341; Grimm, Pittsburgh, .333.

AMERICAN LEAGUE.
Harry Heilmann, of Detroit, finally has ousted Babe Ruth from the lead in the American League. Harry improved his average three points during the week and stepped into the lead with .355 while Babe was dropping eight points to .347. Then comes the Cleveland trio in the third, fourth and fifth places, Sewell with .374; Speaker with .369, and Jamieson with .366. Williams of St. Louis is in sixth place with .355. Other leading batters are:

Manush, Detroit, .344; Cobb, Detroit, .339; Stephenson, Cleveland, .336; Harris of Boston dropped out of the charmed circle of the first ten when he slumped ten points on the week. He is eleventh with .334.

PACIFIC SHIPPING INCREASED BY 100 PERCENT IN TEN YEARS.
Honolulu, Aug. 19.—(A. P. by Mail.)—The growth of commerce and shipping on the Pacific in the past ten years is shown by the fact that the tonnage of ships arriving here increased in the fiscal year 1923 by more than 100 per cent over the total of 1913, according to the annual report of the harbor master.

The total tonnage for 1913 was 2,724,424, and the aggregate for 1923 was 5,292,275, an advance of 3,567,852 in the decade. The number of ships also was much larger, 478 entering in 1913 and 716 in 1923. The harbor master's report recommended that better and larger facilities be provided here for handling the vessels, in view of the increase and in anticipation of a further growth.

RUNNING OF 1923 ST. LEGER IS 149TH IN HIS HISTORY

The St. Leger Stakes won by Lord Derby's tranquil was the 149th running of the third of the great classics of the English turf which constitute the "triple crown." The race was instituted at Doncaster in 1776, in which year Lord Rockingham's Alabaster was the winner. It is for three-year-old colts and fillies—as are the Two Thousand Guineas Stakes and the Derby Stakes—but fillies seldom win these great classics. Colts have won all three, the last being Sir J. Miller's Rock Sand in 1903. The St. Leger often has been the stumbling block in the way of winners of the "triple crown," and since Rock Sand's year only Pommern in 1915, Gay Crusader in 1917 and Gainsborough the following year have won both the Derby and the St. Leger. Among the great horses that have won the Doncaster classic in the last quarter of a century stand out the names of Flying Fox, Diamond Jubilee, Sceptre, the filly Pretty Polly, Bayardo, Prince of Wales and Taccari, the sire of Papyrus.

CHOLERA INFANTUM A FATAL DISEASE OF CHILDREN

Cholera Infantum or summer complaint of children is one of the most dangerous bowel complaints during the summer months. It begins with profuse diarrhoea, the stomach becomes irritated, very often accompanied by vomiting and purging and the matter excreted from the stomach has a bilious appearance. The child rapidly loses flesh, is soon reduced to languor and prostration, and is a great many cases death ensues. Mothers, if any of your children become sick with cholera infantum do not endanger their health, perhaps their life, by experimenting with some new and untried remedy; get one that has stood the test of time; one that will quickly offset the vomiting, purging and diarrhoea. This you will find in Dr. Fowler's Extract of Wild Strawberry, a remedy that has been on the market for the past 78 years.

Mrs. W. A. Harrison, 10 Elevator Court, Halifax, N. S., writes: "Dr. Fowler's Extract of Wild Strawberry saved the lives of three of my children when all other remedies failed. It stopped the vomiting and terrible diarrhoea with which they were troubled. I always keep a bottle of it on hand in case of emergency." "Dr. Fowler's" is 50 c. a bottle; put up only by The T. Millburn Co., Limited, Toronto, Ont.

ST. PETER'S AND MILLTOWN MEET THIS AFTERNOON

St. Peters and Milltown will be the attraction at St. Peter's Park this afternoon. The game will start at 8 o'clock. Groves, one of the leading pitchers of the St. Croix League, will perform for Milltown. As the St. Peter's boys were not due home until after press time, it was not known what their line-up would be.

J. W. Brankley, general manager of the Miramichi Lumber Co., who was in the city yesterday, said he did not think the lumber cut this year would be anything near the figures estimated by the Department of Lands and Mines, as under present conditions it would not pay the lumbermen to go in for big cuts. His own firm intended to curtail their cut and this he believed was true of many of the larger operators.

Many Million Dollars Hidden Away In France

Paris, Aug. 26.—(A. P. by Mail.)—All over France men and women for years have been hoarding American currency. It became available in large quantities with the coming of American soldiers during the war, and the French were quick to see its value. Today people are wondering how many dollars are concealed in the "woolen socks" of the republic. The estimates run from \$1,000,000 to \$5,000,000. Recently a Frenchman living in Chaumont, who kept a candy store during the war, disclosed to a friend a strong-box containing over \$12,500 in American bills of various denominations, which he said he would sell when the franc reached 20 for one dollar. "There are a good many men in this town alone who have more than 1," this man declared.

The exact amount of American currency left in France by American soldiers and officers will probably never be known, but many believe that if a thorough canvas of Brest, Saint Na-

zaire, Bordeaux, Le Mans, Tours, Chaumont, Aix-les-Bains, Vichy, Dinard and the surrounding localities were made, the total would be nearly \$5,000,000.

HOLD UP SEVERAL HUNDRED MOTOR CARS

Boston, Sept. 14.—Operating a trap on Massachusetts avenue at Chauncy street, Cambridge, Wednesday night, Chief Inspector Fred L. Murray of the highway commission and Chief of Police Fred E. Ellis of Cambridge stopped several hundred automobiles. Of those halted about 800 were found to be driven in violation of the motor vehicle laws.
