**WORLD CONFERENCE
ON FAITH AND ORDER.**

Gardiner, Me., March 15.—Invitations
to participate in the arrangements for a
world conference on the faith and order
of the Church of Christ have been sent
to all the communions throughout the
world which believe that the Son of God
was made man, with the exception of the
communions on the continent of Europe
and the Oriental Orthodox churches. All
the communions in the United States
and Canada received the invitation in
1911 and 1912. The commission of the
American Episcopal church, whose duty it
is to issue the invitations, then sent
deputations to Great Britain which se-
cured in 1912 and 1913 the co-operation
of the Church of England and its sister
churches in Scotland and Ireland and of
the free churches in those countries.

After that the co-operation of the
churches in the world in English-
speaking countries was obtained and
sixty-one commissions have been ap-
pointed representing sixty-one auto-
nomous branches of all the leading com-
munions.

It was thought wise not to issue in-
vitations to let the churches in non-
English speaking countries, and in
1914, and again in 1917, it was hoped to
send deputations to present and explain
the invitation personally in those coun-
tries, but the war made it impossible.
Now, however, the way has been opened
and there shall on the Aquinas from
New York on March 6 a deputation con-
sisting of the Rt. Rev. Dr. Anderson,
Bishop of Chicago and president of the
Commission of the American Episcopal
Church, the Rt. Rev. Dr. Vincent, Bishop
of Southern Ohio and from 1910 to 1916
chairman of the House of Bishops, the
Rt. Rev. Dr. Weller, Bishop of Fond du
Lac, the Rev. Dr. B. Talbot Rogers,
president of Racine College and the
Rev. Dr. Edward L. Parsons.

The deputation hopes to proceed to
London, Athens, Constantinople, An-
tioch, Jerusalem, Alexandria, Rome,
Switzerland, France, Belgium, Holland,
Denmark, Norway, Sweden and such
other countries as can be reached. Many
eminent members of the churches in all
these countries have given cordial as-
surance that the deputation will be
sympathetically received and heard with
interest and in the earnest hope that the
world conference may remove the pre-
judices, misunderstandings and mutual ig-
norance among the churches which
have stood for the one divine body of
Christ, so that the way may be open
for directly constructive effort to es-
tablish that unity among His Disciples
which Christ regarded as the only evi-
dence potent to convince the world that
He had been sent by the Father to re-
deem mankind.

An organ recital was given in St.
John's church after the service last even-
ing by D. Arnold Fox, organist of the
church. Four selections were given.

"If the plan as laid out works out suc-

be to hold it annually, and to visit dif-
