### COAL HEAVY'S INCOME

IS \$40,000 A MONTH

New York, July 16—Eli Perkins, Eastland, Texas, is a coal passer on the giant transport Imperator—and he also is owner of oil property in Texas that are spouting him \$40,000 a month. Perkins has two years more to do in the navy, and then he can begin to enjoy his money.

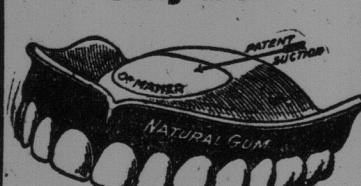

Perkins enlisted in the navy in 1917, after buying 180 acres at Eastland. While he was heaving coal on transport, oil was struck on the farm.

Lieutenant-Commander Peterson asked Perkins if he would sell the farm for \$1,000,000 cash, and received a negative answer.

"I guess I owe something to Father and mother and Christianity," he said. "And the more money I have the more I can do for others."
