DOMINION POLITICS

Is Borden to Resign? Proceedings in House of Commons Yesterday

A story emanating from Montreal was printed in the Toronto Telegram yesterday to the effect that R. L. Borden intends to resign the leadership of the Conservative party in the near future. There is known to be much dissatisfaction over his leadership in Quebec, and in the west it is said that they want either Premier McBride or Premier Roblin. The west is not pleased with Borden's stand on the reciprocity agreement, while the eastern provinces are said to be favorable to Mr. Borden as leader. In Ottawa yesterday, Hon. W. S. Fielding produced many letters and memorials from farmers in the West in which they stated that they heartily endorsed the reciprocity agreement. The secretary of the Grain Growers' Association of Canada wrote that if the question of reciprocity were put to a direct vote it would win five to one. During the session of the house at Ottawa yesterday, Hon. L. P. Brodeur brought in a bill to amend the Canada Shipping Act. An important provision is that all seagoing vessels must take pilots for the St. Lawrence, the St. John and the Minas Basin pilotage authorities. In the case of coasters, if their draft is 10 feet or upwards, they must either take pilots or have their officers qualified to act as pilots. Mr. Fielding announced that the Banque de Canada money would be changed to the privilege of digging. No gold was found, but Hultiner finds his ground in perfect condition for spring planting and is 8000 richer besides.

PUSS LOSES MOUSE BUT FINDS \$875

A cat at Fort Plain, N. Y., chased a mouse under a footstool in the home of Henry Karg. The cat squeezed part way under the stool, then thrust its paw up into a hole in the bottom of the stool. Presently down came the paw without the mouse, but with a \$800 bill sticking to one of the claws. The members of the Karg family at once suspended housekeeping to explore the hole in the footstool. In all \$875 was found stowed away in the stool, which has been known around the house ever since the death of Grannie Karg on Feb. 25 last. She was known to have been of a saving disposition, but she died so suddenly she had no chance to reveal where she had stowed her hoard. Part of the treasure trove is to be spent on a monument to Grannie with a carved footstool on it.

MORNING NEWS OVER THE WIRES

It is now reported that only one man was drowned when the steamer Bruce was wrecked a few days ago. The officials state that the man, reported lost, was not a passenger at all. An effort is being made to find the steamer. High Cameron and Mrs. W. A. Ferris of Young's Cove, were painfully injured in a runaway at that place on Sunday night. With Mrs. Cameron they were returning home from church in a sleigh when the horse ran away. Mr. Cameron and Mrs. Ferris were thrown out, Mrs. Cameron sustaining a sprained shoulder and Mrs. Ferris a sprained knee. Mrs. Cameron clung to the sleigh and was unhurt.
