Hon. PHILIP WHITWELL WILSON TO LECTURE HERE ON CHAUTAUQU PROGRAM

The valuable work of Mr. Wilson has been brought to attention of the world through his articles that are constantly featured in the English and American magazines, journals, and newspapers. He is regarded as a benefactor to the British people since he sets forth clearly in these articles the British views of many world problems and makes clear to the rest of the world the facts in many of Britain's serious and pressing problems. These articles have dealt with Ireland, India, Egypt, the Mohammedan peoples, the Near East, and some of Britain's internal problems as well. These articles have appeared, of late, in the New York Times, the New York World, the New York Tribune, The World's Work, the Review of Reviews, the North American Review, the Outlook, Current Opinion, the Weekly Review, and other journals.

We count it a distinctive gain to be able to have so distinguished and gifted a man from England visit your community and give you some interesting information concerning the state of affairs in Europe and present, for our thought and attention, some of the problems that confront the British Empire, in which the United States and Canada have an especial interest.

We copy the following biographical data from the "British Who's Who": "Mr. Philip Whitwell Wilson was born at Kendal, England, in 1875. On his father's side he has a long line of Quaker forebears. His mother was Miss Bagster, of the family which published the Bagster Bibles. At the University of Cambridge Mr. Wilson was a Scholar of Clare College, an Honorary Member in Mathematics, the Editor of the "Granta" (the Undergraduate Magazine founded by Sir Owen Seaman and Rudolph Lehmann, of the University of Cambridge), and President of the Union Society, which is the club and debating forum for the University. He joined the staff of the London Daily News, of which newspaper he was successively Assistant Editor, Parliamentary Correspondent, and Special Correspondent in the United States. At the age of thirty he entered the House of Commons as Member of Parliament for a London constituency. He has written several books on religious subjects, particularly "The Christ We Forget," "The Church We Forget," and "The Vision We Forget"; these have a wide distribution, and Mr. Wilson has been elected as Honorary Life Member of the American Bible Society. Theodore Roosevelt, before he left for his second term, visited him in his hospital, where the ex-President thanked him for his services in promoting good relations between the old world and the new."

GAS IN THE STOMACH IS DANGEROUS

Recommend Daily Use of Magnesia To Overcome Trouble Caused by Fermenting Food and Acid Indigestion.

Gas and wind in the stomach accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."

Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sours, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.

It is the worst folly to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any druggist a few ounces of Bisulphate of Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas, wind and bloated right out of the body, sweeten the stomach, neutralize the excess acid and prevent its formation and there is no sourness or pain. Bisulphate of Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and the best form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

Those intending to take a trip anytime, anywhere, will find it to their advantage to come here for a Trunk, Bag or Suit Case.
