

Some of our Circuits have done nobly in supporting their Ministers and the different funds of the connexion, and we do trust that those which have not done so well this year will, through the coming one, do more in this work of faith and labour of love. We surely cannot do too much for him who has done so much for us.

We most earnestly request our Official Members to assist their Ministers in carrying out their plans for the extension and building up of the Redeemer's Kingdom; if this is not done our Zion will languish and become anything but a zealous, devoted and useful Church.

There remains much to be done, sinners are perishing around us, and the Macedonian cry is reaching us from all quarters; "Come over and help us." Our time for labour will soon be over—we shall soon have to lay down our armour, and if we are faithful to death we shall take up our crown.

Now the God of peace that brought again from the dead our Lord Jesus Christ, that great Shepherd of the sheep through the blood of the everlasting covenant, make you perfect in every good work to do his will, through Jesus Christ to whom be glory for ever and ever. Amen.

J. BRENNAN, *President.*
