The wife of a very poor man, named John Jackson, residing in a cellar, in Market-street, Millington, near Man- chester, has been delivered of four very fine children, two girls and two boys. They are all alive and doing well.

Two widowers coming together on mutual loss of partners, one said that his case was particularly distressing, having lived with his wife on terms of such happiness, that the last day of her life was as happy as the first. There I beat you, said this friend; the last day of my wife's life was much the happiest to me.

No marine who shall enter the service after the 26th of June, 1837, shall be allowed a pension for length of service, except with reference to the time of his service at sea or on board; twenty-one years' service (reckoning from the age of twenty) at sea, or on foreign service, shall entitle him as does a seaman, to his discharge and pension, and two years' service on shore in England shall be allowed to reckon as one year served afloat for this purpose, but no marine shall be entitled to such pension who shall not have served ten years actually at sea, or on foreign service.

THE ELECTIONS.—Out of seventy-two contests, the representation has changed hands, or rather parties, in eighteen places; viz., six counties and twelve cities or boroughs; and the loss and gain of the Conservative party stands as follows:—

*Gain to the Conservatives.*  
Antrim ..... 1  
Coleraine ..... 1  
Newry ..... 1  
Trillick ..... 1  
Kerry ..... 1  
Dungannon ..... 1

*Loss to the Conservatives.*  
Dublin ..... 2  
Belfast ..... 2  
Carlow County ..... 1  
Carlow Town ..... 1  
Cork County ..... 1  
Kinsale ..... 1  
Athlone ..... 1  
Youghall ..... 1  
Longford ..... 2  
Queen's County ..... 1  
Sligo Town ..... 1

Total loss to the Conservatives—8!!  
In England proper the Conservatives gained from 45 to 50.

Petitions against the return of the declared members for the following places will most unquestionably—and we say it on the best authority—be prosecuted in Parliament, and in every case with every success, viz:—

From 1 Dublin  
2 Belfast  
3 Queen's County  
4 Londonderry  
5 Westminster  
6 Wicklow  
7 Armagh (city)  
8 Kinsale  
9 Youghall  
10 Carlow (county)  
11 Carlow (city)  
12 Sligo (borough)  
13 Clonmel  
14 Tipperary

A sort of contest arose between West and O'Connell at the nomination for Dublin, on the subject of personal comeliness. Mr. West, as every body knows is no beauty, and Mr. O'Connell, it seems, had the candour to tell him so. Thereupon Mr. West called on his rival to doff his wig, and appear "upstanding, uncovered" before the assembly. O'Connell did so, and the contrast was truly "Hyperion to a set of stars." Mr. West's mistake may, however, be pardoned, since he has often had occasion to find O'Connell in some respects "an ugly customer."
