"DEAR SIR,—It affords me great pleasure to add my testimony to the wonderful effects of MOTHER SEIGEL'S CURATIVE SYRUP. For a period of eight years I suffered from a severe Cough and Indigestion, with frequent attacks of Rheumatism; and for eleven months I was under medical treatment, without deriving the slightest benefit. The last four doctors I was under assured me that mine was a hopeless case, and gave me up as incurable. About that time I heard of SEIGEL'S SYRUP, which I was induced to try, and through its use, I am thankful to say, I quickly got restored to health, and am now able to follow my usual occupation. I may say that whenever I feel the least symptom of my old complaints I at once take a few doses of the Syrup, which quickly sets me all right. I send you this in the hope that other sufferers may be induced to give the Syrup a trial.—Yours truly,

(Signed) "WM. RENDALL."

After many years.

"DEAR SIR,—MOTHER SEIGEL'S medicine sells exceedingly well with us, all that try it speak highly in its favour. We had a case of a young lady that had been troubled many years with pains after eating. She tells us that the pains were entirely taken away after a few doses of your medicine.—Yours truly,

"E. PEEL."

"SIR,—Having been troubled with Dyspepsia for a great number of years, I was recommended to try a bottle of your Syrup by my chemist, and after taking two bottles I was completely cured.

(Signed) "A. WILSON."

Cured after many years.

"GENTLEMEN,—I have used SEIGEL'S SYRUP for several years and have found it a most efficacious remedy for Liver complaints and general debility, and I always keep some by me, and cannot speak too highly in its praise,—I remain, yours truly,

"HARRIETT KING."

A most emphatic and hearty one.

"DEAR SIR,—I frequently hear SEIGEL'S SYRUP highly spoken of by my customers, and a case has just come under my notice which I think it is only fair to you I should mention. About a month ago a highly respectable tradesman of this place bought a bottle of the Syrup, and last evening he came for another. In the course of conversation I asked him if he had found it useful, and his reply—a most emphatic and hearty one—was, I have not had anything that did me so much good for the last eighteen years. Knowing this gentleman well, I feel that such testimony in favour of SEIGEL'S SYRUP ought to be widely known—I am, yours truly,

"T. P. LOVERIDGE."
