which says :-

(signed),
BOWELL,

tage of what she believed the unsatisfactory condition of the colony's finances. This has strengthened the anti-confederate There never was since confeders than that which is now dragging its along from day to day. Man after in a position totally independent of Canada man is being put up on the respective or other country. The amount required Finance Minister Foster, and while much difficulty in floating a loan upon each speech consumes the time of the reasonable terms."

ssion and thus costs the country The Manitobs School Question. A Montreal despatch of 21st says :thing new is elicited, because the first they will be in very short order-for some arrangement will be submitted and Regald, throws light on the case: nto confederation were laid on the table smendments to the present school the house this evening. The return laws will be introduced by the government consists of the formal protocols exchanged itself, as the result of the coming meeting

zie Bowell refers to the proposal made in a despatch from Lord Ripon to the with the addition of half an hour of

Island, which is \$9,350,000 and in addition \$2,000,000 of liabilities upon which she agrees to pay interest at 5 per cent, per annum half yearly. This assumption of the island debt is based upon a per capita basis of \$50 per head of a population of 207,000 and is equal to the largest provincial debt assumed by the Domition also the ution of 207,000 and is equal to the largest provincial debt assumed by the Domition also after the different provinces with Canada. In the case of Prince Edward Island, the provincial debt assumed was equal to \$50 per head of the population.

The Domition also agrees to pay a perly provincial subsidy of \$465,600 to the island, which is supplemented later by a proposed to add \$35,000, bringing the proposed subsidy up to \$500,000. The details are subsidy up to \$500,000. The details are to send their goods direct, as they can do so, in this case, at the same rate from Chatham as from Halifax, and thus save the cost of carriage to Halifax or St.

John.

In connection with the Consolidated Railway Co'e. In connection with the Connection with the Consolidated Railway Co'e. In connection with the Conn

Allowance for crown lands, mineral and timber rights, \$150,000.

Interest at 5 per cent. on 2,000,000, excess of debt, \$100,000.

Canada was to maintain all that class of services in Newfoundiand which fall under the head of general or Dominion services, namely geverner's salary, customs, excise, savings banks, public works of a Dominion character, crown lands, administration of justice, post office, steamhip services, marine and lighthouses, disheries, penitentiaries weights and measures, and gas inspection, arts, agriculture and statistics, quarantine and immigration, insurance inspection, arts, agriculture and statistics, quarantine and immigration, insurance inspection and geological survey; Canada to maintain in regard to the steamship services a passenger and mail communication in at least as efficient manner as at present as follows: Between the mainland and Newfoundland, between Newfoundland and Great Britain, the coast and steam service east and west and between Labrador and Newfoundlond.

In least extended to the coast and steam service east and west and between Labrador and Newfoundlond.

The least extended to the minimal and Newfoundlond.

The least extended to the service extended to the form the same plane and, therefore, about the same plane and, therefore, and the same plane and the same plane and the same plane and therefore, and the same plane and the sa

Newfoundland.

In heu of expenditure for militia in Newfoundland until such time as parliament may deem, it necessary to introduce a more general militia system, Canada will grant \$40,000 annually towards the The run of lobsters this season is reported to be very good. The fishermen, however, say they are handicapped by having to use traps made under the new maintenance of the police coastabulary, to consist of (blank) number of men and to be as to efficiency, equipment and discipline up to standards approved by the Minister of Militis. This force is to be at the disposal of the Dominion government for use anywhere in Canada in cases of general and actions approved to the country of the c crustaceans.

From Miramiché Adeque of Oct 11.]

If George Marquis of Chatham will be looked upon as a benchefor of smelt shermen, sportanes and others who may have the good fortune to produce stores of the new pattern designed by him the first sample of which was put together at his well known shop at Chatham on Tuesday to be used and shipped yesterday. Canada will take and at fair valuation the S. S. Flora, now in use by the government at any time. Canada will take and at fair valuation the S. S. Flora, now in use by the government of Newfoundland for fishery service.

Newfoundland shall be represented in the Senate of Canada by four senstors and in the House of Commons by ten representatives.

Newfoundland shall be represented in the Senate of Canada by four senstors and in the House of Commons by ten representatives.

To this offer of the Canadian government of Newfoundland. The south season to the sense of the control of the contro serious, emergency.

The fishermen of Newfoundland are to participate equally with those of Cauada in any bounties to fishermen which may be estimated cost of the completion of this to the bushing of holes and their distance order. the protocals is the following telegram Adams' representations, remove all the cusss it further. which is a supplementary offer made by grievances of which the Miramichi fisher-The Dominion Government.

Ottawa, May 10, 1895—Sir William Whiteway, St. Johns, Nid; Lord Ripon's despatch 9th May to Lord Aberdeen forwarded to the governor of Newfoundland will inform you of the position taken by the British government. If Newfoundland carried on."

Mr. Pagalay—Your honor having made man have been complaining for some years.

It may be remarked that net fishing on the morth and south sides will only be against some of the parties to the cause, allowed where no salmon using is as early as pessible, for an investigation of the matter.

warded to the government will inform you of the position taken by the British government. If Newfoundland adopts Ripon's proposal the terms may be modified by aid from the home government. If not Canada can only supplement the preposal made to your delegation by agreeing in addition to aid the construction of the in addition to aid the construction of the Department, have been in part, restored to them by the same Department. They are, Judge Hannington—For whom do you make it?

Mr. Pugaley—I ask it as solicitor for two of the principal parties in the suits.

Judge Hannington—It may be very disjudge Hanni in addition to aid the construction of the Newfoundland railway from River Exploits to Port Aux Basques by a subsidy of \$6000 per mile and to add \$35,000 additional to the yearly allowance.

Blowers

Department, have been, in part, restored to them by the same Department. They are, therefore, to be thankful that they are no worse off than formerly.

It is interesting to be assured by the Altogether the return brought down Sun's correspondent that "all the to night gives no further information. It grievances of which the Miramichi fisherunderstood that the government of the men have been complaining for some Island has refused to accept the Canadian years have been removed," and as that is but I have a right to ask, and do ask for offer and is standing for still better terms, the medium through which our people are an investigation at the earliest possible The St. John Globe, which is an informed of the boons secured by our reticent and valued representative at Judge sufficiently an the United States view of Ottawa, we would all accept it as an adthe matter, has a telegram from Boston ditional favor if we could be informed of the particulars respecting the terms on "Hon. Robert Bond, of Newfoundland, which the salmon-fisherman's privileges now in this city, said to-day that the on the Northwest and Southwest rivers wish to say that in my opinion the order now in this city, said to-day that the on the Northwest and Southwest rivers recent account above the kide have been restored.
