### BOOKED FOR EASTER?

The time-worn invitation to "come early and avoid the rush" was never more justified than today in men's wearables. Easter is only a few weeks off. If you select a ready-to-wear Suit and Overcoat, Opportunity smiles more benignly upon you NOW than later—today our lines are full, everything fresh and fine, and you get "first choice."

And when it comes to make-to-measure clothing, our tailors are always rushed to the limit just before Easter. They're busy now, too—but have more time to give your suit or overcoat those little "extra touches" that add individuality. Just think this over. And you can think of it more understandingly AFTER you step in and see our Spring line. Ready-to-wear Suits, \$10 to \$25. Overcoats, \$10 to \$27.

IT'S A WINNER EVERY TIME

The girl who can resist a diamond ring, especially one offered by an eligible "him," is indeed very scarce nowadays. And, by the way, so is the man who would not give his affianced such a ring when he can get it so reasonably in our store. We have a nice assortment of diamond and other set rings at very low prices.

The 2nd Band will meet tomorrow night, Thursday, at 8 sharp instead of tonight. Every member is requested to be present.

Two drunks, one 55 years of age and the other 44 years old, were the only prisoners in the police court this morning. They were both fined for being drunk and went to jail in default of paying the fines.

A large congregation attended the service in Exmouth street church last evening and listened to Rev. H. A. Brown speak from the text: "Let the words of my mouth, and the meditations of my heart be acceptable in Thy sight, O Lord, my strength and my Redeemer." This evening there will be a brief prayer service in the upper class room at 8.30, and an evangelistic meeting in the large lecture room at 8 o'clock, preceded by a fifteen minute song service.

### C. P. R. OFFICIALS HERE ON IMPORTANT BUSINESS

H. P. Timmerman and Geo. H. Ham Here to Make Plans for Assisting Immigration.

H. P. Timmerman, industrial agent of the C. P. R. and Geo. H. Ham, of the C. P. R. advertising department, arrived in the city today. They leave tonight for Fredericton where they will confer with A. B. Wilnot head of the Provincial Immigration Department, and members of the government.

Mr. Timmerman said that the intentions of the C. P. R. was to co-operate with the Province in its efforts to secure settlers. He could not say definitely along what lines they would work until after seeing Fredericton and the other members of the government.

"There is lots of room in New Brunswick," he said, "for settlers who are willing to put their hand to the plow and work. Along the valley of the St. John river from Fredericton up, there is a great area of splendid land for settlement but it will be necessary to get the right class to make immigration successful."

Mr. Ham said that on Mr. Wilnot's recent trip to Upper Canada when he visited Montreal, Ottawa and Toronto on search of information about methods of immigration he was able to give him some assistance. Their road was paved with the help of the C. P. R. and this was why they are down. "It is nothing new for the C. P. R. to assist in the immigration of the St. John valley," he said, "we are doing it in other Provinces and intend to do what we can in New Brunswick. The Dominion government has issued one pamphlet about this Province, we will issue another. I presume the Provincial government will do the same. These will be distributed through all our agencies and an effort will be made to reach the settlers best suited for conditions in this part of the country. This will be done entirely in Europe as it would be impossible to get settlers from the United States to come here in any number. Many of British and continental immigrants are being settled for the West and would do much better in a country like this and these are the men we want to get."

### MR. MCKEON'S FUNERAL

After the service the body was taken to Cedar Hill cemetery where interment was made. The pall-bearers were Messrs. William Knight, J. S. Gregory, Thomas Graham, James Wilson, William McMillan and Samuel Kilpatrick. A very large number of friends attended the funeral. Among beautiful floral tributes received were the following: Bouquet of tulips from the ladies auxiliary of the Seamen's Institute. Bouquet of roses, from Mrs. James Miller. ### INSANE ENGLISHMAN IS GOING BACK HOME

John Beckwith, a 27 year old Englishman, arrived on the Atlantic Express shortly after noon today. He is enroute to England to visit his mother. Beckwith while residing in Toronto became insane shortly after Christmas and was placed in the lunatic asylum. A younger brother who resided in Detroit, was sent for a few days ago and being provided with transportation to Liverpool, has commenced the tedious journey as the doctors told him that a sea voyage and a change might do his brother good.

When the young man arrived today with his insane brother he had only five dollars to pay expenses, as he stated that so far he had spent all he possessed in the care of his brother. The insane man was placed in a police station cell as a protectionist and the brother with his limited means has to provide for his comfort. The steamer on which the unfortunate is to be taken, sails on Friday next.
