POLO

Shoe Polish

"Good for Leather
Stands the Weather"

When you use poor polish on
your shoes you take twenty-five
per cent. off their life.

That means a dollar lost on a
four dollar pair of shoes.

A dollar would buy a great deal
of good polish—Polio Polish.

And POLO polish is good for your
shoes—makes them soft and
pliable—prevents the leather
from cracking—makes them wear
longer and look better.

POLO is the easy shoe polish—
just dab a little on your shoes,
rub it with a cloth and you have
a bright, black, lasting shine.

POLO for tan shoes CLEANSSES
as well as polishes.

KOREA IMPROVED

UNDER RULE OF JAPS

Remarkable Transformation in Country Since End of War in Orient

Finances Overhauled, Debt Reduced and General Conditions Extremely Better

LONDON, May 11.—When Marquis
To assumed the supreme power as
resident general of Korea, in 1905, he
publicly avowed his determination to
improve the country since the end of
the war in the Orient.

The immediate sequel was a series of
strongly worded protests in this
country and America at the high-handed
action of Japanese officials. Land was
dishonestly appropriated, concession
rights arrogated, Korean nobility in-
sulted and deprived of its rights, and
even postmen and policemen were on
mere pretences removed from their
positions, which in turn were taken up
by "low-bred" Japanese soldiers. All
this and more was alleged against the
new administration, and the Marquis
To came in for a full share of personal
abuse.

RESULT OF NEW REGIME.

And now, at the end of four years' experience of the new regime, what do we learn? A revolution has been effected of a character that does more honor to the model by which the Japanese statesman determined to be guided. First, the imperial household has been cleansed of the auctioneers of offices, diviners and fortune tellers, and men and women of questionable character, whose sole object was "to cheat and extract money from the imperial buildings in the provinces were mere shysters, often with earth floors. In winter, when the thermometer fell below zero, there were many cases of death from cold. In hot summers prisoners often fell victims to epidemics. Now, the advanced police force in Japan, which some experts hold to be a vast improvement upon European customs, is being steadily applied, with satisfactory results to the whole of Korea.

FINANCES OVERHAULED.

The finances—imperial, provincial and local—have also been overhauled, and a considerable reduction of debt has been effected. The postal system, which has been revised, roads are being repaired. A FEW JUDICIOUS

HANGINGS WOULD DO GOOD

Armenian Clergyman Suggests That Half a Dozen Executions Would Bring Peace.

NEW YORK, May 12.—The Rev. N. G. Papazian, pastor of the only Armenian church in this city, who lived in Adana for fifteen years, coming from there to New York a year ago, thinks that a few judicious hangings would bring lasting peace to the region where the most serious massacres of the past few years have occurred.

"The governor of Adana should be the first to die," he said. "Then some of the Armenians who have been stirring up this trouble should be executed. About a half-dozen hangings would bring fifteen years of peace to the stricken land. Turkey is a powder magazine and the fire brands must be put out of the way."

The Sultan is weak-kneed and completely under the control of the Young Turks. His rule will bring no permanent solution to the country's problem. Intelligent Armenians do not want a separate monarchy. A great Ottoman empire is the desire of Turks and Armenians alike.

The American minister resident, Robert Love, has made ample provision for all the requirements of the commissioners and the attaches. The present edict conferring immunity of the commissioners and the attaches. The present edict conferring immunity of the commissioners and the attaches.

ANNUAL MEETING OF THE Y. M. C. A.

Closed the Year With a Balance on Hand —A Good Year's Work.

Business for the current year was completed and trustees and directors elected at the annual meeting of the Y. M. C. A. held in the building last evening. There was a large attendance and the report showed that the year has been one of the most successful in the history of the institution.

The chair was occupied by the president, L. E. D. Tilly.

After devotional exercises reports of the various departments were received. The report of the president was an able review of the year and dealt with the work accomplished in general.

G. E. Barbour, the treasurer of the association, submitted a statement of receipts and expenditures on current account from 1st May, 1908, to April 30th, 1909, as follows:

The Educational Committee reported that the reading room had been well equipped and much used.

The Physical Department Committee reported a splendid season's work done.

T. H. Sommerville, treasurer of the building fund, presented the following report, which is self explanatory:

Receipts	\$56,856.22

Expenditures	\$62,856.22
In addition to above the Ladies' Auxiliary contributed the sum of \$1,745.47 towards the furnishing of the building.	

Position of the association:

The election of five directors to hold office for three years resulted as follows: L. P. D. Tilly, T. H. Sommerville, T. H. Sommerville, E. L. Rising, W. C. Cross, and the vacancy caused by the death of the late T. S. Simms was filled by the election of R. B. Emerson to the position.

A special and hearty vote of thanks was extended to the Ladies' Auxiliary for the very valuable services they have rendered the association, and to the press of the city for their generous help during the year.

BOY OF 10 WITH GUN

MAKES PUPILS DANCE

California Lad, Reader of Dime Novels,
Takes Possession of School.

PASADENA, Cal., May 11.—With a revolver in his hand, and enjoying himself after the fashion of Jesse James and Nick Carter, Maynard Stevens, 10 years old, held up the Madison School half holiday Friday afternoon. The boy, who is a dime novel reader, wanted to see the school children dance, and he pointed his gun at them to make them perform.

Some danced from sheer fright, and there was great excitement. Young Stevens was disarmed before doing damage, and taken to the police station. He was severely lectured and released.

A concert will be given by some of the best city talent in St. Phillips church tomorrow evening.
