THE SCRUTINY.—This troublesome affair terminated on Saturday last, so far as the Sheriff is concerned; a large number of disputed votes were not investigated owing to the want of time; this batch will be handed over for the adjudication of the House of Assembly. As matters now stand, "the great leader of the opposition" has few votes more than Mr. Gridley. Had the same principles governed Mr. Wright's decisions on the scrutiny, as have always been recognised by the House of Assembly, there is no doubt, that the best would have been on the other leg; however, as Mr. Gridley and his friends have determined that the matter shall not rest where it now is, and that they will appeal to the House, we feel confident that right and justice will be awarded to him in due time. Sufficient information was elicited by the Sheriff's scrutiny to shew that Mr. M. Lean's chance of success is worse than hopeless. Worse indeed, than at the time the scrutiny on his behalf was so thoughtlessly demanded.

RETURNED CALIFORNIAN.—We were gratified yesterday on meeting our old friend Mr. J. L. Westmore, a native of Carleton. Mr. W. has recently returned from California, where, we are happy to learn, he has made his pile, and that of no ordinary dimensions; enough to secure to him an abundance of the good things of this life, and an ample sufficiency for those who are to come after him. A handsome fortune has thus been speedily acquired by a worthy brother mechanic, in the exercise of his calling—that of a house carpenter, and we are joined by many in heartily wishing him many years of life, in which to enjoy the goodly fruits of his enterprising and honest industry.

SIMON GILES, OR THE STRUGGLES FOR LIFE.—This is an old friend with a new face, published in a cheap form, and for sale at Mr. B. O'Brien's, Book Store, King-street. It is one of the best written and most intensely interesting work that we have perused for many years.

☞ By Telegraph from Fredericton, we learn the that Hon. W. B. Kinnear, is appointed Judge of Probate.

Mr. William M. Smith, is appointed to the situation of Chief superintendent and inspector of Steamboats for the Province of New Brunswick.

We received a communication from a "Churchman" Grand Lake, in reply to E. W. White. Another from "An Orangeman" reflecting severely on the conduct of the Brethern who neglected Mr. Earle, at the last election. We shall attend to them in our next issue.

Important Caution to the Deaf.

DOCTOR HARTLEY, Aurist, No 51 Sesson st. Philadelphia, the only institution in America exclusively and successfully devoted to the treatment of ear diseases, and the only acknowledged Aurist in the United States, generously offers to attend all persons suffering from affections of the ear, without charge until cured, thereby proving his success unequalled, and protecting the deaf from being swindled by paying self-styled Aurists exorbitant fees in advance, and the infliction of yet more serious evil, by permitting the application of dangerous remedies by inexperienced and unskilful hands.

Dr. H. may here state that he has no connection whatever with any person advertising to cure deafness. Neither has he given permission for the publication of a "certificate," purporting to emanate from him, and cannot, therefore, be responsible for any alarming consequences resulting from rashness and desperation. The loss of money may not be material to some persons, but the deprivation of one of the most important of the senses ought to be regarded and treated with more than ordinary solicitude. 2t
