

## News Summary.

The German Reichstag Wednesday passed the third reading of the motion to repeal the anti-Jesuit law.

The election for the federal House in West Huron will be held on February 21. Nominations take place February 14.

Sir Thomas W. Taylor, chief justice of Manitoba, who has been abroad for some time, has resigned.

Tuesday a man named Hall, while partly intoxicated, got into an altercation at Commercial hotel, Fredericton, with the proprietor of the house, who knocked Hall down and afterwards kicked him in the face, fracturing his jaw in two places.

Miss Shaw, who represented the London Times last year in the Yukon, read a paper dealing with her experiences there at the Colonial Institute, London, Tuesday. After the reading a discussion took place, during which Louis Coste, chief engineer of the public works department, Ottawa, stoutly denied that any corruption existed in the staff of the civil service in the Klondike district.

Gen. Henry, military governor of Porto Rico, has deposed the mayors and councilmen of Aguadilla and Moa, in the province of Aguadilla, and has temporarily suspended the civil authority in both towns, owing to the incessant political quarrels and the gross official corruption. Capt. Mansfield, who is now in charge of the district, has been instructed to appoint new officials chosen from the radical party. The offenders belong to the Liberal party.

A meeting was held in the Halifax Board of Trade rooms Tuesday in the interests of a large flour milling enterprise that is being projected for the city. B. F. Pearson, one of the speakers, said the Dominion Coal Company had given orders to raise every ton of coal that could be raised, and that coal was now coming up the slopes at the rate of 175,000 tons a month. Nearly a million of tons a year would soon be going into the United States market from Cape Breton, and he was in a position to say iron ship building could be done as cheaply in Nova Scotia as anywhere. J. A. Chipman said that S. M. Brookfield is now in England arranging for commencing iron ship building at Halifax.

An observant citizen who has traveled at home and abroad said to a New York Sun reporter: "One may be a man of the world, and yet never leave Manhattan Island. For instance, my grocer is from Holland, my butcher is a native of Brazil, my druggist hails from Alsace Lorraine, my newsman is a Bohemian, my barber is from Austria, my haberdasher is from England, my caterer is from Paris, my chief is German, my valet is a Jap, my domestics are Irish and Swede and my coachman is a negro. The other day I had to have a doctor in a hurry and sent for the nearest one. I saw that he was a foreigner, and an intelligent man. He is Persian and has lived in New York ten years. In going to my station I pass an undertaker's place—funeral director, if you please. I have an idea he will get an order from me some day. He is a Scotchman. I am an American. My partner is a native of Bavaria."

Speaking of the Doukhobor immigrants now in quarantine, the Halifax Mail says: The settlement now on the island is a picturesque one. Women and children are having an enjoyable time during the fine weather, and do not seem to mind their detention. The regulations of the quarantine station, though obnoxious to Canadians, are a change most welcome to people who have been oppressed for so many years. The twenty-one days which will be spent on the island will enable the travellers to rest and clean up. They will then go forward to their new homes in a comfortable manner, with a guarantee that they will not be detained along the way. The feeding of the immigrants is an interesting feature of the quarantine life. Considerable quantities of fresh food are being sent down and the provisions on board the Lake Superior will, with slight additions, last for some time. Onions, to which the Doukhobors are most partial, are being used in large quantities.

DEAR SIRS—I was for seven years a sufferer with Bronchial trouble, and would be so hoarse at times that I could scarcely speak above a whisper. I got no relief from anything till I tried your MINARD'S HONEY BALM. Two bottles gave relief and six bottles made a complete cure. I would heartily recommend it to anyone suffering from throat or lung trouble.

## ASTHMA PERMANENTLY CURED.

A Well-known Canadian Notary Public Suffered for 35 Years—Permanently Cured by Clarke's Kola Compound.

R. D. Pitt, Esq., Kamloops, writes: "I had suffered for at least 35 years from the great oppressiveness of asthma and shortness of breath. I had during these years consulted many physicians and tried all the remedies, until the doctor told me I might get temporary relief, but I would be always troubled. I tried Dr. Clarke's Kola Compound, and after taking the first bottle I became greatly relieved, and three bottles have completely cured me. I can now breathe as naturally as ever, and asthma does not trouble me in the least. I feel it my duty to bear testimony to the marvellous effect this remedy has had in my case, and would urge all suffering from this disease to try Clarke's Kola Compound, as only those who have suffered all these years as I have can appreciate what a blessing this remedy must prove to sufferers from asthma." Three bottles of Clarke's Kola Compound are guaranteed to cure. A free sample will be sent to any person troubled with asthma. FOR THE BLOOD

## The Dyspeptic's Heart and Stomach CAN'T BE CURED BY BITTERS

The dark red inflamed patches on the stomach, being small veins engorged with stagnant blood—breeding blood, often ulcerating, can best be reached by remedies strongy carried in the blood itself, not by bitters in the stomach, outside the veins and more or less mixed with poorly digested food.

Howard's Heart Relief contains this remedy and applies it in its own way, safely invigorates the heart, opens up the sluggish veins, carries away the inflammation and soreness.

Then return appetite, digestion, strength which would work well must eat well.

Howard's Heart Relief may be had at drug stores, or by mail at 50c. per box, 5 boxes for \$2.50. W. HOWARD, 71 Victoria St., Toronto.
