MONHEGAN ON EASTERN ROUTE AGAIN

Salt Bark Towed from Portland—Gloucester Halibut Plentiful—Machigane is Sold to Boston Concern.

MONHEGAN REPAIRED.

Steamer Monhegan of the Eastern Steamship Company, which has been at Boston since April 29 undergoing repairs, is again on the Portland-Rockland run, having arrived at Portland Friday. While at Boston in addition to repairs on her boilers the steamer was given a general overhauling including repainting inside and out, and is now in first class condition. The Mineola, which has been on the route, is now at Camden undergoing repairs, on the completion of which she will go on the Bluehill route, giving the steamer Boothbay a chance to make some needed repairs.

CARRIED SALT.

The Italian bark Antonio d'Al, which has been discharging a cargo of salt at the Lord Brothers' sheds on Central wharf, Portland, finished unloading last night. She will leave for Norfolk in a couple of days in tow of a tug which is expected to reach there on Sunday, and which will probably take one or two barges in addition to the square rigger. Another salt bark is also on the way, the Santa Maria, coming from Tampa, her cargo being consigned to the W. H. Shurtlett Co. Her departure has not been called, but she is expected to leave on the way as she commenced loading on April 8, and her cargo should have been put on board easily in a fortnight.

SAILS FOR PORTLAND.

Sidney B. Stewart, of Portland, was wired Friday that the Norwegian steamer Annot sailed from Dalhousie, N. B., at 3 a. m. laden with pulpwood, and is due to reach Portland early Tuesday morning.

MUNICIPAL FISH WHARF.

A committee from Washington, D. C., seeking information for use in the establishment of a municipal fish wharf and market, that city, have visited Boston and Gloucester to secure the desired data, and it is believed they will extend their visit to Portland.

HALIBUT PLENTIFUL.

Some of the crews of the Gloucester schooners which have been going in there the past week with halibut have made big stocks, a number of them netting over \$100 for each man.

GOES TO BOSTON.

The Casco Bay and Harpell Lines steamer Machigone, the first boat ever engaged in the island business in this harbor, will be seen here only a few days longer, having been sold yesterday to the Boston & Nahant Steamboat Co., who will run her as a passenger boat on that route. The Machigone is a fine steel steamer of 425 gross tons, 285 net, measures 136.5 feet in length, 22 feet beam, with engines of 550 horse power. She was built at Philadelphia in 1907, and has been engaged during a short summer season each year on the Oriz Island route. The season in fact has been so short that she has hardly proved to give the patrons of the line the present season fully as good service as ever before.—Portland Advertiser.

NARROW ESCAPE.

One of the crew of the coasting schooner A. T. Miner, which vessel was lying alongside the Italian bark Antonio d'Al at Central wharf, Portland, fell into the dock Friday morning about daylight. His yells for help brought assistance and he was soon fished out and landed on the wharf.

CARGO OF SULPHUR.

S. S. Domira, 2,001 tons, Robertson, master, from Sabine (Texas), via Norfolk, with sulphur for the Partridge Mills consigned to J. T. Knight and Co., arrived in port on Saturday. The steamer has about 5,000 tons of sulphur on board, 1,000 of which will be discharged here and the balance at Chatham, Que.

5,000 PRESBYTERIANS WILL MEET IN ATLANTA, GEORGIA, THIS MONTH

The eyes of the Presbyterian world will be turned toward Atlanta, Ga., from May 15 to the end of the month. The three largest branches of Presbyterianism will hold annual assemblies at the same time in that city. Simultaneous meetings of these bodies never have been held before. There will be 5,000 Presbyterians officially in Atlanta. They will represent all parts of the country and the foreign mission field. The General Assembly of the Presbyterian Church in the United States of America, to which almost all churches in the vicinity belong, will meet in the Baptist Tabernacle. It will be the next moderator is causing much speculation. The list of moderators includes the Rev. Dr. Maitland Alexander, of First Church, Pittsburg; the Rev. Dr. Samuel S. Palmer, of Broad Street Church, Columbus, Ohio; the Rev. Dr. William B. McKibbin, president of Lane Theological Seminary, Cincinnati, Ohio, and the Rev. Dr. Frederick W. Hiltit, of Danville, Ky. In the lead are Drs. Alexander and Palmer. Dr. Hiltit is being put forward in place of the Rev. Dr. Aquilla Webb, of Louisville, Ky., who recently was in a railroad accident and will not even be able to go to Atlanta. The retiring moderator is the Rev. Dr. Mark A. Matthews, of Seattle, Wash.

AN ATHLETIC ARTIST

Madame Scotney, who will be heard with Boston Opera Stars, is a Swimmer of Reputation. Madame Scotney, the prima donna soprano of the Boston Opera Co., who will be heard in conjunction with seven other artists, next Tuesday and Wednesday, is a native of Ballarat, and a particular protégé of Madame Melba. Madame Scotney is a tall, handsome woman of only twenty-five years, and has earned a reputation for herself as a swimmer before becoming famous in her present capacity of life. When but twenty years of age she won the champion swimmer of Australia, in the junior class, and had on various occasions placed a distance of more than twenty miles to her credit. Since coming to this country, Madame Scotney has several times matched her swimming prowess against those of some of the best amateurs, and never took second place. She is one of the singers of the younger school, and it is a question if anyone at the present day has attained a greater prominence at so early an age. A better musical opportunity than that which is now presenting itself has rarely been offered in St. John, and when the sale opens at the Opera House Saturday morning at nine o'clock, it is expected that very great interest in the proposed concert will evidence itself.

MADE WONDERFUL RECOVERY WHEN DR. HAMILTON'S PILLS WERE USED.

"I was never actually sick," writes Mrs. Norman La Pierre, wife of a well known resident of Labentzen, "yet I never could get strong like other women. I ate well enough, but somehow rich and red blood I could never make. When I married I took great pride in my housekeeping, but I kept me tired. Mrs. Lechance, my neighbor, looked well—she told me her health had been made up by Dr. Hamilton's Pills. I only thought of pills as a physic, but now I know that Dr. Hamilton's Pills are more for they quickened my stomach, liver and bowels—made me stouter and stronger, gave me such color in my cheeks as I never had before. I sincerely believe Dr. Hamilton's Pills should be used by every woman—that's why I write this letter." No medicine laxatives and resens health and spirits like Dr. Hamilton's Pills, 25c. per box, five for \$1.00, by postpaid from the Catarrahose Co., all druggists and storekeepers, of Buffalo, N.Y., and Kingston, Ont.

DR. MORSE'S INDIAN ROOT PILLS

Regularly... of the bowels is an absolute necessity for good health. Unless the waste matter from the food which collects there is got rid of at least once a day, it decays and poisons the whole body, causing biliousness, indigestion and sick headaches. Salts and other harsh mineral purgatives irritate the delicate lining of the bowels. Dr. Morse's Indian Root Pills—entirely vegetable—regulate the bowels effectively without weakening, sickening or griping. Use Dr. Morse's Indian Root Pills.
