MARINE NOTES

POSTED AS MISSING.
British steamer Morien, from Louisburg, C. B., Nov. 16, for Placentia, N. S.

Seven prisoners were arraigned in the police court yesterday morning: William Williams and Thomas Harbridge, charged with the murder of the steamer Mount Temple, were arraigned on the charge of stealing 166 lbs of chains and 16 bottles of perfume from the steamer.

At the request of E. C. Weyman, counsel for the C. P. R., the men were remanded until this morning. James Fullerton, aged 17, charged with pointing a revolver at Mrs. Hannah Lynch in her store on Rodney street, West End, and also assisting Miss Sadie Cougee and Miss Nellie Boyle on Duke street, West End, on Thursday evening, pleaded guilty. He was remanded to jail and later sent back to his steamer.

The Gramplan, which sailed for Glasgow yesterday afternoon, Louis Sheraton, charged with indecent conduct in Rockwood on Thursday afternoon, was remanded. John Miller and Peter Ranskar, two sailors, charged with disorderly conduct on Carnarvon street, pleaded not guilty, and were remanded. One prisoner charged with drunkenness was remanded.

Wish to Improve Lancaster. A street improvement which it is thought would cost but little, is being urged by the citizens of upper Carleton. This is the opening of a block of Lancaster between Charlotte and Winslow streets. This section if properly graded would add greatly to the convenience of the residents of that portion of the city.

Bank Clearings. The St. John bank clearings for the week ended on Thursday were \$1,680,816, corresponding week last year, \$1,302,459, a gain of \$378,357.

PROVINCIAL.

OFF FOR LIVERPOOL.

Royal Mail Allan Line steamer Glasgow, Captain Williams, sailed last night for Liverpool via Halifax with a general cargo and about 600 passengers.

NOW CAPTAIN OF SCHR. OLAF.

Captain Edward Atkinson left this city Thursday night to take command of the schooner St. Olaf, now at New Port News, owned at Parrboro, N. S., by the Pugsley Shipping Co., Ltd. The schooner is in the Southern trade this winter.

ON HER SECOND TRIP.

Donaldson liner Cassandra, left Glasgow for this port January 17 on her second trip this season with a general cargo and passengers.

EVOLUTION LOST JIBS.

Among the few consters making harbor yesterday was the British Nova Scotia port for Boston, with a cargo of lumber. The captain reports very rough weather in the Bay of Fundy, having carried away jibboom, tore jibs and was otherwise slightly damaged.—Portland Argus, Jan. 16.

HAD ROUGH TRIP.

The Calais schooner Ernst T. Leo, Captain Fletcher Rawling, bound to Calais with coal, had a rough experience in one of the recent big gales along the Maine coast, and considering the fact that the vessel was so small, she managed to work into West Harbor, considerably battered but with all on board safe.—St. Croix Courier, Jan. 16.

IN THE PULPWOOD TRADE.

The Campbell Lumber Co., Weymouth, N. S., has closed with the American steamer J. O. Ellison and two American three-masted schooners, the Brooklyn and the Edmunds, to load pulp for Newport News. The Ellison will carry 9,000 bales, and the two latter vessels will each take 5,000 bales. The company now has a cargo of 9,000 bales on the way to Newport News in the American four-masted schooner Pendleton Brothers, but the charter calls for the discharge of half the cargo en route at Montville, Connecticut.

NEVER SAW ATLANTIC SO ROUGH.

The Allan liner Corinthian, twelve days out, docked at the wharf at Halifax Thursday. She carried 37 second and 39 steerage passengers, most of whom landed there, the remainder going on to Portland.

Captain Brammer says that from the time of leaving Glasgow until past Sable Island, they experienced successive gales from the west to north-west. High seas were running all the way across, there were frequent storms and the glass was low all the time.

He was a pretty "old stager" to Halifax, he said, he had been on the ship many times, but he did not remember a time when the sea had been so rough continuously as it had been from September up to the present. He had been on the worst gales, but he had not in all his experience seen the Atlantic so tumultuous for so many months together.

"FRECKLES" CHARACTERS.

When "Bunty Pule the Stripes" has undoubtedly added materially to the popularity of Scotch characters and actors in America, Duncan, the head of the "McLean's" timber gang, and Mrs. Duncan who gives mother love and a home to Freckles, in the dramatization of Gene Stratton-Porter's novel of the same title, as two of the most lovable and quaintly humorous Scotch characters ever introduced in a play. LA GRIPPE'S VICTIMS

Left Weak, Miserable and Prey to Disease in Many Forms.

One of the most treacherous diseases afflicting the people of Canada during the winter months is la grippe, or influenza. It almost invariably ends with a complication of troubles. It tortures its victims with aching fevers, sore throats, headaches and backaches. It leaves him an easy prey to pneumonia, bronchitis, and even consumption. Indeed the deadly after-effects of la grippe may leave the victim a chronic invalid. You can avoid la grippe entirely by keeping the blood rich and red by an occasional use of Dr. Williams' Pink Pills for Pale People. If you do not, the disease attacks you, you can banish its deadly after-effects through the use of this same great blood-building, nerve-strengthening medicine. It is proof of the wonderful power of Dr. Williams' Pink Pills over this trouble.

Mr. Emmanuel Laurin, St. Jerome Que., says: "I was seized with a severe attack of la grippe. I was obliged to stop work and remain in my bed for several weeks, and while I appeared to get over the first stages of the trouble, I did not regain my usual health. I suffered from headaches, loss of appetite and extreme weakness. I did not sleep well at nights, and would arise in the morning feeling tired and worn out. This continued for about two months during which time I was taking treatment, but apparently without avail. Then I was advised to try Dr. Williams' Pink Pills, and I got a half dozen boxes. By the time I had taken three boxes there was a decided improvement, and actually before I had completed the sixth box I was enjoying my old-time health. I was strong as ever, could sleep well and eat well, and no longer suffered from lassitude and headaches. I have proved the value of Dr. Williams' Pink Pills for the pernicious after-effects of la grippe, and can therefore recommend them to other sufferers."

Dr. Williams' Pink Pills cure by going to the root of the trouble. It is the blood which the disease attacks, and makes red and pure. These pills cure all troubles due to bad blood, and if you are ailing you should start to cure blood by taking this great medicine. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
