

TOO MANY QUESTIONS TO SUIT THE HON. MR. VENIOT

PREMIER FOSTER DETERMINES TO ALLOW VICTORY BOND EXEMPTION

Therefore War Loan Will Not Be Taxed in This Province—Bill to Facilitate Collection of Stumpage Results in Extended Discussion on Cutting of Pulpwood on Crown Lands—Province Stands in Critical Financial Position—Committee Reports Progress on Stumpage Measure.

(Official Report.) Fredericton, Mar. 22.—The House met at 3 o'clock. Bills relating to the Fraser's Company, Limited, in the town of Edmundston; to side and top wharfrage in the city of St. John; to short-term debentures in said city; and to fix the valuation on property of the Fraser Companies Limited in Fredericton, were read a third time and passed.

Hon. Mr. Veniot in answering a notice of inquiry by Mr. Smith (Carlton) said that some of the inquiries on matters pertaining to his department entailed a very large amount of labor. For instance, two for which replies had been prepared had engaged the attention of four members of the staff for two days.

Hon. Mr. Veniot rose to a question of privilege. He said that he had no objection to newspaper criticism of his public acts, so long as the same was based upon facts, but he did object to any newspaper misrepresentation of him.

as the rate was 2 1/2 p.c., which meant that nearly one-half of the yield from the bonds would be required to pay it. The rate would be higher than the federal tax on income.

Hon. Mr. Foster, after promising that a general bill would be introduced moved that progress be reported.

Hon. Mr. Smith said that the bill provided that the amount to be assessed would be paid direct to the government instead of to the patriotic fund as formerly, and would be dispensed by the government.

Hon. Mr. Veniot introduced a bill to amend the municipalities act relating to the county of Victoria, and also a bill to amend the act relating to high cost of living.

Mr. Sweeney said that this regulation practically meant that the legislature was permitting the export of pulpwood from crown lands while professing that it prohibited such export. There might just as well be no regulation against the export of pulpwood from crown lands.

Mr. Murray (Kings) quoted from the statutes showing that in 1916 legislation had been enacted permitting the export of logs from crown lands to Great Britain until two months after the end of the war.

Mr. Murray (Kings) explained that the former administration, bright hopes of establishing the pulp and paper industry on a large scale.

Mr. Murray (Kings) said he could not say why he had not been in charge of the department, the minister in charge had been the late Hon. Mr. Clarke and the latter had decided upon the change after carefully considering the question.

Mr. Murray (Kings) pointed out that strong representations made to the late Hon. Mr. Clarke had brought about the action of which complaint continued on page 4.
