A LARGE INCREASE.
Parents are daily calling at the school board office asking out permits for new scholars. Dr. H. S. FOR TANK BATTALION.
Military Headquarters were instructed yesterday to get in touch with the universities in New Brunswick with the idea of getting recruits for the Canadian tank battalion. While the battalion is recruited to full strength yet it is the idea of the militia department to keep this unit up to full strength and the recruits secured now will be used as reinforcements. They will cross overseas in drafts of from twenty-five to fifty men at a time. This unit since its authorization has proven very attractive to the younger men of the country and there is no question that the militia department's request will be met with by a general response.

TRUE BILLS FOUND IN FIVE CRIMINAL CASES YESTERDAY

August Sitting of County Court Opened Yesterday With Judge Armstrong Presiding—Two Jury and Two Non-Jury Cases.

The August sitting of the County Court was opened this morning with His Honor Judge Armstrong presiding. Five criminal cases were given to the grand jury, His Honor remarked that with the prohibition enforced this was a rather large number, particularly in view of the fact that there are eight courts held each year, four supreme and four county. The following is the criminal docket:

King vs. Walter Pike, Stanley Edwards—breaking and entering.
King vs. Edward Burke—theft.
King vs. William Price's wounding.
King vs. Hyman Taxe and Hanley O'Brien—theft.
King vs. Marcus Whitman—theft.

Following is the civil docket:

JURY.
Doherty vs. McDonald—Tait & Smith for Plaintiff; W. M. Ryan, defendant.
Leahy vs. Grant & Horne—J. A. Barry, Teed & Teed.

NON-JURY.
McBeth vs. Magee—S. A. M. Skinner for plaintiff; G. H. V. Neely for defendant.
N. B. United Typewriter Co. vs. Harrah—R. P. Raymond for plaintiff, John Greenham for defendant.
An application was made by Kenneth A. Wilson to have taken up on appeal a case in which Frank Coleman was convicted by Magistrate Adams of interfering with a police officer in the discharge of his duty and fined \$10. J. King Kelley appeared in opposition to the application and contended that the appellant had failed to file a bond as required by law. His Honor allowed Mr. Wilson further time to argue the matter.

The grand jury found true bills in all the criminal cases.

ASKS CITY TO PAY SHARE OF DEFICIT

Lancaster Ferry Commissioners Will Give Up Service Unless They Receive Assistance.

Heber Vroom, secretary of the Lancaster Ferry Commissioners, appeared before the city council in committee yesterday in connection with the request that the city pay a share of the deficit in the running of the Pleasant Point ferry. Mr. Vroom explained that for some years past Capt. Leonard had operated the ferry at a loss, and last May was about to give up the service. An arrangement had been entered into with him by which the commissioners paid him a subsidy of \$125 per month out of a surplus which had been accumulated when the ferry made money. This money had all been expended and Capt. Leonard had been notified to give up the service on August 31. He asked that the city council agree to pay one half of this \$125 per month until May, 1919, to Capt. Leonard, and he understood the Parish of Lancaster would pay the other half.

The matter was referred to the committee on harbors, who will report at the committee meeting on Thursday.

NEW FREIGHT RATES MAY BE MODIFIED

Big Boom in the Sugar Business Is Looked For—Large Shipments Being Made.

Recent reports regarding sugar freights are somewhat more gratifying than in the past. The rates per hundred pounds to Montreal and Quebec, respectively, are 32 and 39 cents. The local refinery has in the past few days made large shipments to outside centres, especially central Canada, again the local trade is on the jump, and the Atlantic Refineries have a boom. No doubt the new freight rates may be modified considerably in the future and the sugar trade locally will receive an impetus.

Lewis Seldemicker, manager of the Atlantic Refineries is at present in Boston, and intends making a trip to New York. No doubt his trip may bring results and business become quite normal in the near future.

MILITARY NOTES

Lieut.-Col. F. C. Jamieson is in the city. He is second in command of the new Siberian unit now being mobilized.

Capt. G. Earle Logan, of First Depot Battalion reached the city yesterday, being here in reference to his new duties as assistant judge martial for Military District No. 7. Capt Logan's new duties comprise the enactment of all regulations pertaining to court martials in this militia district, to deal with all deserters and defaulters. It was announced yesterday that the tank battalion require men for reserve so as to keep this unit up to strength. College men are desired mostly. No doubt the appeal will meet with a hearty response, as the branch of the service is considered a crack unit.

DON'T FORGET THE BRITISH SAILORS!

"Let us acclaim the American soldiers, but can we forget the British sailors?" Those who turn a deaf ear to September fifth will have been untrue to themselves and their country. Even the smallest contribution will be welcomed, but many large ones are expected. The day when the American army gains the biggest success, let us pay homage to the British sailors, without whom any Allied success would be impossible. Do not forget the date, Sept. 5th.

CHURCHES OF CHRIST ANNUAL CONVENTION HELD AT MILTON

About Seventy Delegates Were Present—Much Business Transacted and Excellent Addresses Heard—St. John Delegates Are Home.

Delegates have returned home after attending the annual convention of the Churches of Christ of Nova Scotia and New Brunswick which was held at Milton, N. S., August 22nd to 26th. About seventy delegates were in attendance. Prince Edward Island was represented, also the United States. O. B. Emery, former resident of St. John, now minister of Charlottetown Church of Christ, was present, also J. W. Hayter, a minister of New Glasgow Church of Christ, and two delegates from the United States came from Grant K. Lewis, secretary of the American Christian Missionary Society, who delivered a stirring address on Saturday evening, and delivered the closing address on Sunday evening. Mrs. Elizabeth W. Ross, ("Mother" Ross, as her many friends delight in calling her), who has been on a tour of the provinces, and was at the convention, touched the hearts of all her hearers with her soul-stirring addresses, and what wonderful when all remember that she is mother of Emory Ross, missionary to Africa.

The newly elected officers of the Missionary Society for the provinces were: President, L. A. Miles of Halifax, N. S.; vice-president, Rev. J. Chas. B. Appel of St. John; secretary-treasurer, J. S. Flagg of St. John, N. B.; advisory committee, J. H. Barney and F. R. Barber of St. John, and O. Wallace of Halifax, N. S.

The officers of the C. W. B. M. for the coming year are: President, Mrs. J. M. Ford of Milton, vice-pres., N. S.; Miss Williams of Charlottetown, and Mrs. J. S. Flagg of St. John, for New Brunswick; treasurer, Mrs. Maud Outland, co-sec., Mrs. Schuman, Sumner, P. E. I.; recording sec., Mrs. Leslie, Port Moncton, N. S.

Mr. J. W. Hayter's sermon the first evening was appropriate and well delivered, and was a real treat to the ears of the convention.

One of the most attractive features of the convention was the Bible study conducted at the beginning of each day's session by Mr. Fred Sumner, minister of the Church of Christ at West Gore, N. S. A resolution was passed by the convention suggesting that they be printed in "The Christian" in appropriately brief form, to occupy one or more issues.

The address on Saturday evening by Rev. Grant K. Lewis was a stirring reminder of what the church must be if it wishes to keep up with the opportunities and obligations of the new changing age. The Sunday evening address by Mr. Lewis was a masterpiece, in which he sought to show what he regarded as the hand of God in relation to the Anglo-Saxon race and the present world.

The sermon of Lord's Day morning was delivered by the minister of the Coburg Street Church of Christ, St. John, N. B. The subject, "Conviction of the World." The great sinfulness of unbelief was shown by what crimes it leads men to commit, and by the sinister characteristics out of which unbelief grows.

The last day of the convention Mr. and Mrs. Allan Gates of Kemplville, N. S., received news from the front that their soldier son had been shot and killed in action. Mr. and Mrs. Gates turned their faces immediately homeward. They have the heartfelt sympathy of every convention delegate.

There was raised at the convention about \$600 for missionary purposes. During the last year the Missionary Society of the provinces raised about \$1,100 and the C. W. B. M. of the provinces raised in the neighborhood of \$600.
