FRENCH CANADIANS FOR A TANK UNIT

Sixty-Four Persons Are Miss-
ing As Result of New Jersey
Disaster.

Ottawa, Oct. 7.—Orders have been
issued from the Militia Department
authorizing the formation of a third
tank battalion for service overseas.
The appearance of this unit in the field
will render possible the formation of
a tank brigade—one more powerful
unit in the Canadian army overseas.
It is proposed to recruit the new
battalion among French-Canadians,
thereby giving this element in the
population in Canada distinction in an
arm of the service which has attracted
much attention, has won much
glory and has proved of extraordinary
efficiency. It is intended that French-
Canadians thus will have a complete
distinctive unit.

Recruiting as far as possible will be

voluntary. Earlier contingents sent
by Canada to this arm were raised by
volunteering, and attracted a particu-
larly fine type of young men.

DEATH SHIP IS AT

A CUBAN PORT

Spanish Malady on Alfonso
XII. Causes 24 Deaths—60
Ill.

A Cuban Port, Oct. 7.—The malady

which caused the deaths of twenty-
two passengers on the Spanish liner
Alfonso XII., was an extremely vio-
lent type of Spanish influenza, with
pulmonary complications. Dr. Juan
Cuterans, of the Cuban Commission of
Infectious Diseases, announced today
after an examination. The steamer
is now being held in quarantine, as 60
passengers are still ill.

Nineteen persons died on the voyage

and five have died since the ship
reached port. Among the dead is the
second officer. Two persons, crazed
by suffering, committed suicide during
the voyage.

Sixty of the 1200 passengers on

the ship are ill, and forty are
said to be in a serious condition.

ports are true entertainment number
2 will be well worth the price.

Letters from Mrs. Alfred Thornton

to friends concerning her arrival in

writing contracted the disease.
