Masonic Grand Lodge Annual Meeting Yesterday

Grand Master D. C. Clark De-
livers Interesting Address—
Reports Received and Dis-
cussed—Officers Elected
With Re-election of Mr.
Clark.

The Grand Lodge of Free and Ac-
cepted Masons assembled in the Ma-
sonic Temple yesterday for their
fifty-second annual communication
with Grand Master D. C. Clark pre-
siding.

In his annual address Grand Mas-
ter Clark spoke of the happy ending
of the war, and of the new problems
that the citizens have to face with
the signing of peace. Already over
one hundred thousand men have re-
turned to Canada. From one to four
years they have been living in the
open, and now come back to find that
the world is undergoing a period of
readjustment. In most departments
of industry and business there have
been changes and things are done
differently. Many men have returned
broken down in health and shattered
nerves. It is true that a certain num-
ber of men have had their positions
held open for them, but the large ma-
jority of those coming back have to
seek work in the open labor market.

Mr. Clark next spoke of changing
industrial conditions, of the readjust-
ment of trade and industry to meet
the new conditions, declaring: In
all of these momentous issues, I feel
confident that the members of our
noble Order will give their best
thought. They will not allow them-
selves to become extremists, but will
use their best endeavors to solve
these present and live questions, and
as to promote the common good of
all, and when issues of outstanding
moral quality shall be thrust upon
us for our consideration, we will
again strive to stand for that which
will bring the greatest good to the
greatest numbers.

The United Grand Lodge of
Free Masonry. It is making plans to
mark the declaration of peace by a
great celebration in London in June
next. The celebration will extend
from the twenty-third to the thirtieth
of the month. The Grand Master and
Grand Secretary of the Grand Lodge
have been invited to be present. It
has probably been the largest in the
history of Free Masonry, as there
are some eighty Grand Lodges in
various parts of the world in fraternal
relation with England.

Feeling reference was made to the
death of members during the past
year. The Grand Master further re-
ported that he had made twenty-two
official visits to lodges in various
parts of the jurisdiction.

In speaking of the movement on
foot to provide a suitable Protestant
orphanage in this province, Mr. Clark
said that he was in favor of it, and
recommended that the matter be
strongly considered by the Board of
General Purposes.

He expressed satisfaction that the
Fund of Benevolence had reached
the splendid figure of \$19,000, and
he also had a word of appreciation of
the lodge rooms visited during the
year. In closing he spoke of the kind-
ness and courtesy shown to him
throughout the jurisdiction by all
members of the craft.

Grand Secretary's Report.
J. Twining Hart, the Grand Secre-
tary, reported the receipts from the
subordinate lodges have amounted to
four thousand and sixty-eight dollars
and seventy cents, a total exceeding
that of last year. The total member-
ship to 27th December, 1918, was
3,983.

Managing Committee.
The managing committee through
G. D. Ellis, reported several changes
that had been made to the Masonic
Hall, which necessitates considerable
expenditure of increased rentals,
damage done by fire, etc.

Grand Treasurer.
H. Russell Sturdee, Grand Treas-
urer, reported on the financial stand-
ing of the corporation as follows:

Receipts.
Grand Secretary..... 4,001.80

vouchers..... 550.00

The Grand Master, D. C. Clark, was
re-elected, and other officers were
elected as follows:

Deputy Grand Master—J. Fred Ed-
gett.
Senior Grand Warden—F. Sullivan.
Junior Grand Warden—E. W. Mayer.
Chaplain—Rev. H. A. Goodwin.
Grand Treasurer—H. R. Sturdee.
Grand Tyler—Robert Clark.
The various reports were consid-
ered and adopted.

SUSPECTED SMALLPOX.
Dr. J. P. L. Brown, district health
officer, received word that there is
a case of suspected smallpox at Lower
Covehead, Albert County, and has
gone to investigate.

Members of the board of the
Southern Division have written
Dr. Brown advocating free clinics for
the treatment of children whose par-
ents are not financially able to carry
out the instructions of the school
medical inspectors.

MAIN STREET PARSONAGE.
The old Main Street Baptist Par-
sonage is still on the hands of the
trustees, as the tenders offered for
the purchase of the building have not
proved satisfactory. Probably the
church itself will take the matter in
hand.

JUDGMENT IN THE ADMIRALTY COURT

Chief Justice Hazen Found
Steamers D. J. Purdy and
Premier Both at Fault—
Ordered Purdy to Pay Half
Damage to Premier.

Judgment in the case of the S. S.
Premier versus the S. S. D. J. Purdy
was given in the S. S. D. J. Purdy
yesterday morning. Chief Justice Hazen
presiding. This is an action resulting
from damages sustained in a collision
between the two vessels on the St.
John River. Evidence from officers,
passengers and members of the crews
of both vessels was taken. In his
finding the chief justice held that the
S. S. Premier was on the wrong side
and came across to the right side; the
S. S. Purdy was on the wrong side
and stayed there. Both steamers
should have kept to the starboard
side. He found both at fault and or-
dered the S. S. Premier to pay half
the amount sued for of \$4,000. Dr. J. B.
M. Baxter, K. C., appeared for the own-
ers of the Purdy and F. K. Taylor, K.
C., for the Premier.

GRAND RECEPTION FOR CALVIN AUSTIN

Boston-St. John Service Re-
sumed Yesterday—Eastern
Liner Given Grand Wel-
come as She Steamed Into
Port.

The Boston-St. John service, which
was suspended in 1917, was resumed
yesterday when the S. S. Calvin
Austin returned to this port at 12.40
(daylight time) with a number of
passengers and a large general cargo.
Sirens from other vessels in the
harbor and the shriller tones of factory
whistles blended with that from the
"Boston boat" as she steamed up the
harbor, making a fine sight in her
new dress of white under the glow
from the mid-day sun.

After docking at the pier opposite
the new city shed recently completed
and leased to the Eastern Steamship
Company, many seized the opportu-
nity of looking over the vessel and
welcoming Captain Engle back to
the port.

The vessel will leave this morning
at 10 o'clock with passengers and
cargo for Boston, stopping at other
points en route. Returning here, she
will sail direct for Boston Saturday
night at 10 o'clock, and this service
will be maintained indefinitely.

THREE BELGIAN PRIESTS HERE

Fathers Manise and Vrydaegs
Who Have Been in This
Country for Years Left for
Native Land Yesterday.

Three Belgian priests left on the
S. S. Madonna yesterday en route
to their native land. Father Manise
has been in the country for nine years,
working among the native Belgians.
Father Vrydaegs has been in the coun-
try for seventeen years and has labored
chiefly among the Poles in Mont-
real and Western Canada. Father Char-
les, a young man, has been in the coun-
try for a few months, working among
the Redemptorists in North End for some
time.

TORONTO MAN'S REMARKS.

"One might think St. John was an
American city," said a Toronto man,
who was in the city yesterday. "If
you go into any store and shop you find
plenty of American papers, but it is
rarely you can buy a Canadian paper."
Everybody ought to know Toronto is
the centre of Canadian intelligence,
and publishes the best papers in the
world, but apparently nobody in this
burg knows it. The thing surprised
me, because not long ago I met a man
from St. John in France, who told me
St. John was so English in its mental
make-up that it never read anything
but John Bull and "Tithis."

MOTHER AND SON DEAD.

In the death of Mrs. J. Harry
Driscoll, which occurred yesterday at
2 o'clock, a bright and happy home on
Tower street, West End, has been
irrevocably saddened. Last Friday
a baby boy was born to the young
parents, just two years married. The
infant died Monday and the mother
died yesterday. All that is left is the
saddened husband in the empty
home. There are also left to mourn
a step-mother, Mrs. Harry Sullivan,
one sister, Lucy of the Order of
Charity, Sacred Heart Convent, Shaw-
mut, Mass., and four brothers, Arthur,
Jr., Montreal, and Edgar D., James and
William Sullivan at home.

PREMIER FOSTER AT QUEBEC.

Premier Foster is spending the
Easter holidays at the Chateau Fron-
tenac, Quebec. Immediately following
the prorogation of the legislature on
Good Friday morning he left for St.
John, and with Mrs. Foster that even-
ing they left for Quebec, where they
joined their daughters, who have been
at boarding school. The premier was
much fatigued and hearing a nervous
breakdown when the session closed,
and will spend some time quietly rest-
ing.—Gleaner.

A GOOD ARRANGEMENT.

So that all friends and relatives of
returning soldiers may know where
when a troop train is approaching the
city, Charles Robinson, Secretary of
the Returned Soldiers' Commission,
has made arrangements with the
missioner Thornton whereby the fire
whistle will sound a warning for half
an hour before a train approaches the
city, the whistle being blown for two
and two minute intervals. Mr. Robin-
son is also endeavoring to have the
whistles from the Atlantic Sugar Re-
finery plant, the West Side Elevator
power house, and Murray & Greg-
ory's mill give a similar warning.

Liquor Cases in The Police Court

Evidence Taken and Cases
Adjourned—Returned Sol-
diers Were Stowaways on
Ship—A Soldier, a Woman,
Prescription and Bottle.

Matthew Ramsey appeared in the
police court yesterday morning charg-
ed with illegally supplying liquor to
Howard Robinson, who was arrested
last Thursday in the Prince Albert
Hotel on the charge of having liquor
in possession. Evidence was taken
and the case was postponed until Fri-
day morning next. William M. Ryan
is appearing for Ramsey. Robinson
appeared for further hearing also and
evidence was given by John Ryan, pro-
prietor of the hotel, who told the
court he had on a former occasion
found a bottle in the room of the
accused which he emptied and ordered
the accused out. The hotel clerk in-
terceded for Robinson and due to his
intercession and the fact that Robin-
son was a well-behaved boarder he
allowed him to stay. The case will
be resumed on Friday morning.

Five drunks appeared and paid the
usual fine, \$5 each.
Arthur Dickson of McAdam Junction
and James Ryle of Ontario appeared
to answer the charge of coming into
Canada as stowaways on the S. S.
Granplan. Captain Turnbull of the
liner made the information. Both de-
fendants told the court that being dis-
charged soldiers they were in a hurry
to come home, and to use a slang ex-
pression, "beat it." Hugh McLean, Jr.,
appearing for the C. P. R., stated that
such an offence was twenty pounds.
The magistrate said that he would
take into consideration the fact that
both men were returned soldiers.
Later the McAdam chap had his fare
given him through the kindness of a
local man well known as a worker for
the returned soldier.

In the afternoon Clement Creary,
Joseph O'Leary and Robert McEhane-
an appeared on the charge of break-
ing and entering the premises of J. F. Titts,
578 Main street, last Friday night.
Police Officer Garnett gave evidence
and the case was set over until Fri-
day afternoon at two o'clock.

In the case against the Brayley
Drug Company, Leonard A. Conlon,
counsel for the accused company, ad-
dressed the court to some extent on
the salient points and requested a
copy of all evidence taken in the case.
Inspector Rev. W. D. Wilson appear-
ing for the prosecution addressed the
court in short remarks, requesting that
the case be settled by the magistrate.

The magistrate in turn reviewed the
evidence and felt inclined to close the
case at once, but in view of the fact
that the counsel requested a copy of
all evidence he set May 3rd as the
date for the prosecution to produce the
evidence that he would even hold a night
session if necessary as he wished to
get the case off his hands.

A soldier arrested at a few evenings
ago in Hum Wing's restaurant, King
Square in company with a woman
and both imbibing from a bottle
appeared for judgment. The sol-
dier told the court he procured the
bottle on a prescription and admitted
drinking in public when he took a
trip in an alley. Further he remind-
ed the court that this was his first
time in court. Captain Burke ap-
peared as representative for the militia
division and the magistrate in-
formed the accused that he would fine
him the minimum or the very least
amount possible under the act and
he tried to make the arrange-
ments for payment when he produced
his money from the militia. This sat-
isfied the accused and arrangements

will be made. The doctor who sup-
plied the prescription appeared. He
informed the court the whiskey found
on the soldier had been procured by
a prescription made out by him. He
understood that the liquor was to be
used for a cold and with this under-
standing gave the prescription. The
case will be resumed this morning.

Why Red Blood Rich in Iron Helps Make Women Strong, Healthy and Beautiful—

While Lack of Iron
Keeps Them Weak,
Nervous, Fretful
and Run-down.

How Organic Iron—Nux-
ated Iron—helps Solve
Problem of Supplying
Iron Deficiency, Thereby
Increasing the Strength
and Endurance of Delicate
Care-worn Women in Two
Weeks' Time in Many
Instances.

Many a woman who ought
still to be young in feeling
is losing the old-time vim
and energy that makes life worth
living simply because her blood
is thinning out and possibly starv-
ing through lack of iron. It is
iron that gives the red coloring
matter of the blood that life-sus-
taining oxygen enters the body and
enables the blood to change food
into living tissue, muscle and brain.

In commenting upon the alarming
average woman of today, Dr. George
H. Baker, formerly Physician and
Surgeon Monmouth Memorial Hospital
of New Jersey said:

"What women need to put roses in
their cheeks and bring back to their
system the springtime of life is iron.
Into their step is not comestic or
stimulating drugs, but plenty of iron
pure red blood. Without it no woman
can do credit to herself or to her
work. Iron is one of the greatest of
all strength and blood builders and
I have found nothing in my experi-
ence so effective for helping to make
of women, healthy, red blooded women as
Nuxated Iron. From a careful exami-
nation of the formula and my own
tests of Nuxated Iron I feel convinced
that it is a preparation which any
physician can take himself or pre-
scribe for his patients with the ut-
most confidence of obtaining highly
beneficial and satisfactory results."

Dr. Ferdinand King, a New York
Physician and Medical Author says:
"I have strongly emphasized the fact
that doctors should prescribe more
Nuxated Iron."

RETURNED MEN WARMLY WELCOMED

Soldiers Who Arrived Yester-
day Morning Were Given
Grand Reception—Captain
Hayes in Charge.

St. John honored itself and outdid
all other popular demonstrations yester-
day in its reception of the boys of
the "Red Badge"—the members of
the First Division, who returned home
over 400 strong yesterday morning at
9.30.

And the boys were just as glad to
be back home again. On one of the
cars of the troop train was the legend
"From the Boys of the First Division
Hell to Heaven in Three Months."
The boys were in charge of Capt.
R. St. C. Hayes, M. C., son of His
Grace, the Mayor. Capt. Hayes
went over in 1914 with the 2nd Ar-
tillery and since has served
with the fourth and seventh batteries.
During the war he was second in com-
mand of the latter unit. He was a
resident of the City Line. He went
over in June, 1915, and won his pro-
motion in the field with the first div-
isional ammunition column.

Many of the boys returning yester-
day had served right through the en-
tire war and it was noticeable that
quite a number of them had never
been wounded.

After the enthusiastic greeting at
the depot, the boys were formed in
column and marched to the armories
by way of Main Street, King, Charlotte,
King Square and Sydney streets. They
were headed by the garrison band
and members of the Citizens' Recep-
tion Committee. Along the route
flags, bunting and streamers were fly-
ing in the breeze and the buzzes from
the crowds lining the curb awoke the
echoes.

IN CHANCERY COURT.
In the Chancery Court, the case of
John R. Disbrow and others, heirs
and next of kin of Emma I. Disbrow,
seeking to have set aside a lease made
in January, 1918, between Louisa
Disbrow and Emma I. Disbrow to Wm.
B. McVey of two parcels of land, 74
Coburg street, for a term of ten years
from 1st May, 1918, at a yearly rent
of \$185.00 was to have come up
yesterday. The plaintiff's claim is
that Dr. McVey took advantage of the
weakness and unsoundness of mind
and incapacity of the lessors. Dr.
McVey denied these allegations and
claimed that the smallness of the rent
was accounted for by the fact that he
was to construct important additions
to the premises. A settlement was
made.

THE COURT HOUSE.
The stone walls, practically, are all
that remain of the old Court House,
King Square. The roof of the build-
ing has been removed, thus eliminat-
ing the danger from falling work.
Plans as to the raising or reconstruc-
tion of the building are still hanging
fire.

PROBATE COURT.
Judge H. O. McInerney, Judge of
probates, granted letters of adminis-
tration to the estate of Margaret
O'Leary yesterday. T. P. Regan
proctor.

The doctor who supplied the pre-
scription appeared. He informed the
court the whiskey found on the sol-
dier had been procured by a prescrip-
tion made out by him. He under-
stood that the liquor was to be used
for a cold and with this understand-
ing gave the prescription. The case
will be resumed this morning.
