100 BBLS Howland's Flour, landing ex GOVERNMENT Marine Schools 24 South Wharf. WE request the Ladies to call at No. 11, North Side King's Square, St. John, and judge from personal examination whether it imany exageration to say that

for the preparation of Candidates for RAYMOND'S SEWING MACHINES Masters' and Mates' CERTIFICATES OF COMPETENCY.

are the simplest, most durable, least liable to get out of order, and most easily worked of any; and that his FAMILY SINGER MCNALLY & SEATON will do a greater variety of work than any other Machine. The universal adaptation, un-equaled beauty and simplicity, perfection of material and syle of finish, recommend his several varieties of

SEWING MACHINES as the best, while their low price places them within the reach of all.

As Machines rented and sold by instalments. Stitching, hemming, filling, and tucking, done with neatness and despatch.

Professor Socet, in delivering a most interesting report, passed in review the operations of the Industrial section, in reference to Commerce, laying great stress upon the competition that has taken place in the manufacture of chronometers. This competition was instituted with the object of testing the workmanship and precision of chronometers turned out by Genevese manufacturers, and none but those adopted for pocket use were admitted. They were deposited in charge of the authorities at the Observatory, and underwent the most searching ordeal possible to be replied to pocket instruments of this class. The jury specially retained to decide the difficult question as to whom to award the palm of excellency unanimously de-
