Special Telegram to the Tribune. Railways-Baie Verte-The Principle of the Ballot Bill Affirmed. OTTAWA, April 10.

131

Hon. Mr. Langevin replied to Mr. putting a sum into the estimates for in creasing the sidings and adding to the locomotives and cars of the E. & N. A.

should be spent in extending the railway | Co. system to Louisburg and other points.

appointment of Senators, arguing that of their affairs to stockholders. they should be elected by the Local Legislatures or the people. He moved a reling laws relating to export duty was solution in accordance with his views, agreed to.

had been introduced so early, as there would be ample time for perfecting a law free grant act from that County. The ballot had worked well in New Brunswick, preventing violence and intimidation, and securing orderly con-Bribery would not be prevented pelled, by penalties, to keep their votes

Mr. I. Burpee said four of the best men bers of the Government had been elected under the ballot system. It was not necessary to wait to see how the system worked in other countries. It had had fifteen years' trial in New Brunswick, and the people there would not surrender

lot would encourage lying and cheating. Persons would promise to vote for pay, take the money and vote differently, and defraud the candidate of his money. the class of persons needing protection by the ballot was very small. Farmers were independent, and laborers defiant of capital. It may prevent fighting. By having numerous polling places bribery was encouraged by the fear of detection

Mr. Dodge (North York) believed the ballot system had lowered the standard of public men in the United States. He did not think it would work better in Canada, but he was the employer of two ported. thousand men and, wishing to give them every freedom, he would vote for the bal-

The principle of the bill was adopted at 12 o'clock—yeas 79, nays 76, Mitchell and Tilley and all the New Brunswickers voting yea.

## PROVINCIAL LEGISLATURE

Special Telegram to the Tribune. HOUSE OF ASSEMBLY.

FREDERICTON, April 10. Dr. Palmer's Albert Railway aid bill, with an amendment; a bill to legalize Kent assessments; a bill to authorize School Trustees of No. 1 District, St. Andrews, to sell certain lands; and a bill establishing certain Courts in Madawas-

motion for Saturday in reference to the Court.

ing that the same educational rights should be conferred on the Catholics of would vote against the resolution on that the scheme. ground, if no other. He objected to the House doing anything recognizing the thought some arrangement might have house in the Dominion. Call and judge been made by which the School Bill would for yourselves. have been much more efficient, beneficial, and satisfactory to the inhabitants of the Province. He feared that there was great danger that the principle of the Bill FIRST PRIZE. would be sapped by persistent opposition to it. Mr. Hibbard said the Province never had denominational schools and should not adopt them now. If Catholics were compelled to listen to religious teaching in schools there would be some reason for complaint. It was the duty of the Dominion Parliament to amend unconstitutional Acts of Legislatures, but he would not tolerate for one momen their expressing an opinion or dictating a course to this House in enacting a law which is constitutional, Mr. Lindsay opposed the resolution. Mr. Caie said he had left the Government only when he gave up the hope of securing such a A large measure ent at the General Agency, change in the School Law as would meet the views of a majority of his constituents. Mr. Maher closed the discussion in a very fluent speech, declaring that the Act as amended was more offensive Catholics, and predicting that separate ap 8

PARLIAMENT OF CANADA. schools would be secured by the Catholics uniting as a political party. The resolu-
