Agriculture.

The Ark and the Dove. BY MRS. L. H. SIGOURNEY. "Tell me a story, please," my little girl Lisped from her cradle. So I bent me down,

And told her how it rain'd, and rain'd, and rain'd, Till all the flowers were cover'd, and the trees

A ceaseless flood, till all beside were drowned, They in their quiet vessel dwelt secure.

Upon the child, to see if her young thought Was a glad listener, and the eager breath

An altar to bis God. Since, many a time,

When to her rest, ere evening's earliest star, That little one is laid, with earnest tone, "The ark and dove."

Mothers can tell how oft, In the heart's eloquence, the prayer goes up From a sealed lip, and tenderly hath blent, With the warm teaching of the sacred tale. A voiceless wish, that when that timid soul, Now in the rosy mesh of infancy, Fast bound, shall dare the billows of the world Like that exploring dove, and find no rest, A pierc'd, a pitying, a redeeming hand, May gently guide it to the ark of peace.

Our Brothers. It was Willie Adams' first day at school with

Simple, grand, instant as a lightning flash, Notes & News. faultlessly perfect in idea and form, Willie's simile is a bright speech, which I shall expect to PROGRESS OF EDUCATION .- Twenty years ago see followed by many happy hours of sympathy and mutual love between us-the teacher, the only 67 in every 100 men who married in England signed their names upon the register, and scholar, and our curly-haired, bright-eyed 51 in every 100 women, and 13 years later the HART.

percentage was but 69.6 of the men and 56.1 of the women; but in the last seven years, a period which probably shows in its marriages the result

And o'er the bosom of the deep they sail'd For many days. But then a gentle dove Seaged from the ceasement of the ark, and oprimed Her lonely pinion o'er the boundless wave. Ah, all was desolation. Chirping nest, Nor face of man, nor living thing, she saw, For all the people of the earth were drownd Because of disobedience. Save wide, deep waters, and dark, frowning skies, Nor face of man, huch get server, and dark, frowning skies, Nor face of man, huch get server, and dark, frowning skies, Nor face of man, but yielded a got of and and scant labor it is below the average, often greatly below it. Of the women who in 1560 married in B60 married b6 married married water and barried waters and barrowing thoroughly. With abundance of land and scant labor it is below the average, often greatly below in B60 married b6 married in B60 married With abundance of land and scant labor it is bet-it.
