

STOP THIEF!!!

HAVE HIM ARRESTED!!

AND NOTIFY US!

WE desire to warn the Public against the Schemes of pretended Canvassers, who, ostensibly acting as our Agents, obtain money by the fictitious Establishment of Agencies for the sale of our goods and by taking Subscriptions for our Publications. The Names recently assumed by such Swindlers are H. Sothorn, H. C. Olin, F. H. Keene, D. C. Webb, J. W. Hill, C. H. Pallerson, Mr. Rose, Frank Williams, F. A. Rills, R. M. Miller and Geo. White. Vermont, Illinois, Pennsylvania, Ohio, Tennessee, New York and Indiana, as well as Ontario and Nova Scotia, have been recently visited by these Impostors. H. Sothorn has been employing a card on which is printed "Waldron, Granger and Co., 471 Tremont St., Boston, Mass.," a firm which does not appear in the Boston directory. The man "Olin" claims to represent the "Armour and Stevens Library Association of Chicago," which has no existence.

We offer the following Reward for the Capture and Conviction of these Frauds:

\$100 REWARD.

We will pay \$100 to any person securing the arrest, sentence and incarceration of any unauthorized person, who, representing himself as our agent, obtains money fraudulently either by taking subscriptions for our publications or by the fictitious establishment of agencies for the sale of our goods.

There is no one of our authorized representatives who is not at all times able to produce abundant evidence of his authority to transact business for us. When a request for this evidence is made by people with whom they wish to transact business, it will be promptly met in a courteous and satisfactory manner. Our travelling agents are all gentlemen, and, with the credentials in their possession, are at all times prepared to meet an investigation of their right to do business for us, at the hands of a justice of the peace or other magistrate.

THE BUTTERICK PUBLISHING CO. [Limited],
7, 9 and 11 West Thirteenth St., New York.

ANSWERS TO CORRESPONDENTS. (Continued).

MYSTIC—Judging from the color of your hair and your description we should say you were a demi-blonde, and could becomingly wear navy-blue, heliotrope, écarle and old-rose. We know of no meaning attached to the letters you have sent us. Many thanks for your kind words concerning the DELINEATOR.

NELL F.—The sample of hair is dark-brown and you may becomingly wear cadet-blue, red, mode, tan and any of the shades of gray. A simple wash for an oily face is made of

Elder flower water..... 1 pint.
Tincture of benzoin..... 1 ounce.

To promote the growth of the lashes apply to their roots the following tonic:

Sulphate of quinine..... 5 grains.
Sweet almond oil..... 1 ounce.

MADCAP—A pretty evening gown is made of cream-colored *crêpe de Chine* by using pattern No. 3944, price 1s. 8d. or 40 cents. If a less expensive material be desired, *crêpon* or India silk would be equally pretty. The sample of hair is dark-brown, and you may becomingly wear cadet-blue, scarlet, castor, tan and any of the gray shades.

B. T.—The receipt given was for removing wrinkles, and the ingredients may be procured of any large druggist. We do not think it possible for us to take up at present the subjects you mention.

DOUBLE E.—The lighter sample of hair has a tinge of gold in it, and the owner would be called a blonde; the other sample is dark-brown, and from the description we should say the owner is a decided brunette.

PEARL—The sample of hair is auburn, and from your description we should say you were a decided blonde. You may becomingly wear any of the shades which have been spoken of in these columns as becoming to blondes, save old-rose. The 8th of August, 1871 came on a Tuesday.

FRANCES—John H. Woodbury, Dermatologist, 125 West Forty-second street, New York City, removes superfluous hair from the face by means of the electric needle. Upon seeing him please mention the DELINEATOR. We are unable to give you the probable cost of the operation.

A PROVIDENCE GIRL—At a morning wedding the groom will wear a black cutaway coat and light trousers. A perfectly formed woman will stand at the average height of five feet five inches to five feet seven inches and will weigh from 125 to 140 pounds. The white nun's-vailing will develop attractively by skirt pattern No. 3916, price 1s. 6d. or 35 cents, and basque No. 3989, price 1s. 3d. or 30 cents. Trim with lace or silk passementerie.

OLD SUBSCRIBER—Dresses made of cashmere, serge, plaid or striped goods and similar woollens are suitable for girls of ten and sixteen years of age. Moth spots result from a deranged system, and if it is not put in order traces of the ailment will return, even if one has the good luck to temporarily remove them. We would advise you to consult a physician upon the subject. A remedy for the removal of fading out freckles is as follows:

Lemon-juice..... 1 ounce.
Powdered borax..... ½ drachm.
Sugar..... ½ drachm.

Not having stated any preference you may have in the location of the college it is difficult to advise you, and we would suggest your consulting some educational bureau in your nearest city.

E. C.—The brown armure for the elderly lady will develop attractively by skirt pattern No. 3916, price 1s. 6d. or 35 cents, and basque No. 3970, price 1s. 3d. or 30 cents. Silk passementerie will trim handsomely. Make the black Surah by skirt pattern No. 3990, price 1s. 6d. or 35 cents, and basque pattern No. 3983, price 1s. 3d. or 30 cents.
