

## Real Cream Sauce over that Trout!

THE chef, who thinks more of cooking than does anyone else, prides himself on his cream sauces for fish dishes. And for years this best of sauces has been denied the camper. Now, with

THE NEW  
**KLIM**  
WHOLE MILK—POWDERED

it is possible for any fisherman or hunter to carry a supply of fresh full-cream milk in his kit.

KLIM in the brown and yellow tin must be part of the food supply on your next trip. It can be used wherever milk is called for in any recipe. That is because it is just good, pure milk minus the water.

If your dealer cannot supply you, write direct for prices and literature.
