320 Bay Street, Toronto,
June 15, 1940.

Mr. Murray Elliott,
Barrister, Etc.,
Middleton, N. S.

Dear Mr. Elliott:

I have your letter of 10th. Obviously
there is nothing I can do to bring about the acceptance
of your proposal. I presume the Government finds dif-
ficulty in adopting the course in a single instance
which is not adopted generally.

Yours very truly,

AM/E.

Arthur Meighen.
