

Ottawa, 20th May, 1904.

Information has been received from the
 Peterborough Historical Society
 that a small number of
 Indian graves, near Moose Point, in Ontario,
 have been discovered, and are over an area of the
 land which has been recently surveyed and
 is now being sold by the Government.

The Department has no knowledge of the location
 of these graves, and it is suggested that the
 Society should make inquiries of the local
 authorities, and if possible, of the
 Indian Agent, regarding these graves.

Tom Lean
 Secretary.
