"This is Mrs. Hinkson's *best novel*."—*The World*.

"Another delightful story."—*Morning Post*.

"This is the most vivacious of her stories."
—*The Bookman*.

"A book which I can heartily recommend."
—*Whitehall Review*.

"Another capital Irish story."—*Pall Mall Gazette*.

"A sweet tale, sweetly told."—*Glasgow Herald*.

"To our thinking this is the very best book that even Katharine Tynan has written, and that is a big word. It is one of those stories, pleasant, bright and wholesome, that gives delight and hurts not. In 'Aunt Theodosia' the author has drawn what Thackeray in his 'Round About' properly calls one of the prize characters in fiction."—*Freeman's Journal*.

"I can praise and recommend 'That Sweet Enemy.' It is a charming and wholesome story."
—*Lady's Pictorial*.
