

The Young Man's Club

STANDS for all that is good, and the rooms are open for all young men (no matter what denomination) who hold themselves in good repute.

The rooms are well furnished, and will be lighted and heated to the satisfaction of all. Every young man will find this a home-like place to spend an evening, and the officers and members will welcome you at any time. We aim to develop the social, physical, literary and moral sides of our nature.

The rooms are in the basement of the Mount Pleasant Methodist Church.
