

God is by me all the day.

My joy is in God.

No man can say he has no sin.

An ill boy is a foe to God.

You can not go to God, if you
be an ill boy.

In God let me joy, and not sin.

My joy is in the Son of God.

Let me not go in the way of
bad men.

In the way of God, let me go.

Let me not go on in sin, O
God.

The eye of God is on me all
the day.

Try me, and let me joy in thy
way, O God.

Let me pay to God his due,
and not sin.
