### Clydesdales and Hackneys

Mr. Charles E. Eaid, Simcoe, Ontario, who was a prominent exporter last year, has again visited us, and to-day sails with a special engagement numbering about 20 head. Most of these are Clydesdales, but the lot also includes a beautiful yearling Hackney colt bought from Mr. John Wraggitt, Market Weighton, and got by the famous champion stallion Rosador. There are also three splendid types of Hackney brood mares, and a big, handsome two-year-old Shire colt, bred by Lord Ellesmere, and containing some of the best blood in England. Amongst the Clydesdales, Mr. Eaid takes half a dozen capital fillies from Mr. Walter S. Park, Hutton, Bishopston. These include a couple of daughters of the Cawdor Cup winner, Prince Alexander, which were bred in Islay, and another by the same sire, bred by Mr. Holmes, Glenhinchuck. Another couple, a two-year-old and a yearling, were bred by Mr. Park himself, and got by Royal Citizen and his own champion horse Royal Chalan, and both out of Princess Victoria, a fine bred mare, by Sir Harry, gr-dam by Prince of Wales. Another of the fillies, bred in Dumfriesshire, is by Baron Lothian, the noted son of the great breeding horse Lord Lothian. Mr. Peter Crawford, Darvel, Dumfries, also contributes three splendid two-year-old colts, one of which, Dashing Duke, is got by the best bred horse King of Kyle, out of a mare by Crown Them All. Another, Penrith Prince, is a big, thick horse of weight and quality. Altogether, Mr. Eaid and his customers on the other side have reason to be highly satisfied with the present shipment.—Scottish Farmer.

### Ayrshire Herd Book

Volume fifteen of the Canadian Ayrshire Herd Book has been issued by the Registrar, J. W. Nimmo, Ottawa. This volume contains the pedigrees of 1893 bulls and cows. The book is gotten up in attractive form, with several fine illustrations of prize-winning Canadian Ayrshire cattle. Features of the book are the rules and regulations governing record of performance, and a brief history of the Canadian Ayrshire Breeders' Association.

"I understand that you filled your incubator full of cold-storage eggs. Hatch anything?"

"I should say so! All the chickens came out with fur instead of feathers, and wore ear muffs."—Chicago Daily News.
