

The Agricultural Emporium Price List for January.

**The Little Giant Thresher, Warranted, \$100 Cash. \$105 on time, with 7 cent interest.** The same complete, with improved horse power and band wheel, \$185 to \$190. This Machine is capable of thrashing 200 to 300 bushels of Wheat, or 400 to 500 bushels of Oats per day. It will also thresh Peas and Barley well. It threshes clean, and is not liable to throw grain over, having a peculiarly constructed shoe. It has no Canvas, Elevators or Sieves, which in other machines are a continual source of annoyance. The Thresher is simple, can be worked by any one, and can be driven with four or six horses. It takes up but little room on the barn floor, and is easily moved about, being placed on wheels. It is the best Threshing Machine for a farmer's own use, or even three or four farmers in partnership.

**McIntosh's Horse Power Drain Tile Machine, \$200.** Increased in power and generally improved. It will make more tiles than any other Machine in Canada.— 8,000 per day.

**Carter's Patent Ditching Machine:** Price \$130. This Machine is warranted to do its work satisfactorily even in sand, or hardest clay, gravelly, and even on stony and rocky land. It will throw out stones as large as a man's head, and roll over rocks uninjured. Every one approves of its working who has ever yet given it a trial. It will make from 100 to 250 rods of ditch, 3 feet deep and 8 inches wide, in a day. Any persons wishing to procure one may have one put in operation on their farm before purchasing, and if it does not work to their satisfaction, they need not take it. Every neighborhood where there is good cleared land should have one. They will pay the men and boys in each section. In sticky clay they work best. Send for one and raise crops.

THE "FARMER'S ADVOCATE"  
FOR 1871.

NOW IS THE TIME TO SUBSCRIBE!

The paper has been vastly improved since its commencement, it being now

**THREE TIMES AS LARGE**  
As when First Issued.

It is again TO BE IMPROVED by having EXTRAS AND SUPPLEMENTS ISSUED.

We wish to make this paper equal to any Agricultural Paper published in the United States. It is the only paper published in Canada that is

**Unbiased by Political Party or Religious Sect!**

It has furnished its readers with the first information in regard to valuable SEEDS AND IMPLEMENTS. Its STOCK REPORTS are to be made more complete. No constant reader can say that we have ever attempted to shield, favor or advocate any thing or person for political purposes. The Farmer's Advocate has furnished more valuable information about

**SEEDS, DRAINING and IMPLEMENTS**

than any other paper in the Dominion. One particular advantage is that it contains more voluntary, unbiased agricultural writings, from the real farmers of Canada, than is to be found in any other paper. And all writers may have their communications inserted without charge, provided they give agricultural information of value to the country.

**TERMS, POST-PAID, \$1.00 PER ANNUM IN ADVANCE**  
TO AGRICULTURAL SOCIETIES.

We will send you this paper complete at as low a price as you can get any other Agricultural Paper now published in Ontario.

If any old subscribers wish to alter their address to another post office, or even discontinue the paper, they should at once give us notice. In case of alteration, name your present and future post office. Some have complained about our stopping the paper at the expiration of the time; therefore the papers are continued to be sent, and will be until arrearages are paid, when no notice has been received.

AGENTS ARE WANTED

In each locality where there is none established, and a good commission allowed. If no agent has called on you, any one that is known in the section can act. Just take your paper, and get what subscribers you can before the next number is issued. Every one of you may add ONE or more names to our list; some may add hundreds. Just take one day and try it. The more that are sent in the better the paper will be made. We hope to be able to make it a weekly before the end of 1871.

THE BEST AGENTS

Are those that have had SEEDS, STOCK OR IMPLEMENTS from us, as they can speak from experience of the utility of the

AGRICULTURAL EMPORIUM.

N. B.—Our orders are already sent to Europe and the States for choice Seeds for 1871. All require good Seeds. When any of our friends take an interest, and get up a Club for the paper, they may also take orders for Seeds & Implements, at which business some of your sons might do well this winter. First send a letter with a few subscribers, and we will send further instructions. Be the first to act in your neighborhood,—as a good commission is allowed to all that get up Clubs, and act as Agents for us for the sale of Seeds or Implements.  
SEE PRICE LIST ON THIS PAGE.

CLUBS! CLUBS!! CLUBS!!!

We offer to each of you, as an inducement to act, the value of one-fourth the amount of money you receive for the paper, in stock, seeds or implements in our price list. In this way every subscriber must be benefited by having good seeds, stock or implements in his neighborhood. The packages may be divided, and each may have something even this season. Clubs must not be less than four, at one dollar per annum, to take prizes. You may then have from one to twenty packages of choice seeds, sent to your post office, prepaid.

Take your choice from club list on this page. Send in the names at once. The stock and implements will be sent on receipt of your list; the seeds will be sent in the spring.

Small packages will be sent post-paid by mail; larger lots will be shipped by express or rail, as you may instruct.

Read the prize list carefully, and do not miss this opportunity of making money.

For instance, for twelve subscribers, at one dollar each, you can have a barrel of Early Rose potatoes, to divide as you choose. For twenty subscribers, one pair of choice Brahma fowls. We give these merely as instances.

Look over the list and gain something. Persons who send on good club lists may act as agents for the different articles advertised monthly, and make a good thing from the commission allowed on them. First send on a club list.
