

Which Does Your Wife do and Deserve?

GIVE her this convenience which you would demand if you had the house work to handle.

Contrast the labour saving implements, tools and equipment you use daily around the barn and in the fields with the necessities she has been denied. This

EMPIRE WATER SYSTEM

will modernize your home and give you city conveniences—running hot or cold water anywhere throughout the house, with a bath and toilet and water in the barn and paddock for the stock.

You need these conveniences to-day when help is scarce and both your wife and yourself are overworked.

Empire Systems are powerful and compact. They are very reasonable in price and made in different sizes to suit the needs of your own farm.

Our free booklet would interest you as it is well illustrated and describes our water systems fully. Write us to-day and we will enclose an Information Blank, for you to fill out. We in return will send you full particulars and the cost of a system suited to the needs of your farm.
