A farmer who had engaged the services of a raw tenderfoot, sent him out one morning to harrow a piece of ground. He found the harrows upsidedown, and not knowing anything was wrong, he proceeded to work them as he found them. He had not worked long before all the teeth came out of the harrows. Presently the farmer came into the field and asked him how he liked the job.

4' Oh " he replied "it goes a bit smoother since the pegs have come out."

The Thoroughbred stud belonging to Mr. Joseph Seagram, of Waterloo, Ont. has been recently reinforced by the irre portation of a select contingent from the Old Country. The lot consists of the stallion, Persistence, and three mares. Persistence is a three-year-old, bred by His Majesty, sired by his famous horse, Persimmon, and out of a mare called Loadamia; and the price Mr. Seagram gave for the horse was \$5,000, quite the longest figure ever paid for a running horse for Canada.

RED HERD FARM.

The home and farm of Mr. Thomas E Wallace is situated about three miles west of Portage la Prairie. The farm is composed of the finest soil to be found even on the fertile plains of Portage, and the residence and barns are commodious, convenient and artistically designed. The designation, Red Herd Farm, is not without meaning or application, for the herd of grand Shorthorn animals owned by Mr. Wallace is entirely composed of red cattle. They are a grand lot, and every member shows the good results of care and intelligent feeding. They are typical Scatch Shorthorns, and it is rare indeed to see not only so many animals without a cull amongst them, but an entire herd of first-class cattle such as that of Mr. Wallace's. The foundation of the stock was bought from Watt, Ontario, and consisted then of two cows, Maiden's Blush and Vanilla 2nd. Maiden's Blush is by Royal Sailor, out of Bonny Bird. She is six years old, and is carrying her sixth calf. She was beaten only once in the Portage prize-ring, being placed first on every other occasion on which she was shown. She is a splendid cow and she would have given a good account of herself had she gone farther afield in pursuit of honors. Vanilla 2nd is got by Scottish Pride (imported in dam), out of Vanilla. She is also a grand row of the same thick-fleshed, lowdown type as the former, with an excepperfect in shape and quality. She is also a most profitable breeder. Some other members of the herd are: Maiden of Ellerslie, got by Charger, out of Maiden's Blush. She is a three-year-old and a typical daughter of her dam. Portage Blossom is a two-year-old, suckling a bull calf, Portage Lad. She is also out of Maiden's Blush, by Charger. Maiden's Beauty, by Charger, out of Maiden's Blush, is a splendid one-yearold heifer. She took first prize at portage Show last season. Maiden 3rd is a grand heifer of the same family. out of Maid of Ellerslie, by Charger. She is also one year old. The Vanilla family make a worthy companionship to the Maiden's Blush family. Vanilla 4th is a fine thrifty one-year-old heifer. Patrick is a one-year-old bull of the Vanilla family, by Black Stop, out of Vanilla of Ellerslie. There are a number of young heifers and two bulls, all showing the best characteristics of the Short-
